

TUESDAY, APRIL 28, 1874.

May 11, 1875

On looking over this diary of the year last year, I see that on the last page I said the last I had strength or courage to say in all that year. It was on the night of the 27 of April '74 that I first realized that my troubles had struck the nerve centers. The spine between the shoulder blades became greatly inflamed. This was the first time in my life that I ever felt I had a spine, always so strong. The mental agony I underwent of this day and those that followed I can never describe. Even now after more than a year, it distresses me to remember it.

It is only three weeks ago, that I could commence to lie or even turn onto my back even for a half minute, since that sad day which dates the top of this page almost thirteen months. I am much more pale now than then, but not as wretched in mind, calmer, nerves perhaps less excited, blood & fiber weaker & worse, an old invalid now, have passed much suffering and learned a little how to bear it.

McDougal Littell the Americans Gerald A. Danzer,1999-07-23 Clara Barton's Civil War Donald Pfanz,2018

Through Battle Dispatches Letters and Other Records Discovering the Wartime Service of America's Most Famous Nurse I always tried to succor the wounded until medical aid and supplies could come up I could run the risk it made no difference to anyone if I were shot or taken prisoner So recorded Clara Barton the most famous woman to emerge from the American Civil War In an age when few women worked in hospitals much less at the front Barton served in at least four Union armies providing food and assistance to wounded soldiers on battlefields stretching from Maryland to South Carolina Thousands of soldiers benefited from her actions and she is unquestionably an American heroine But how much do we really know about her actual wartime service Most information about Barton's activities comes from Barton herself After the war she toured the country recounting her wartime experiences to overflowing audiences In vivid language she described crossing the Rappahannock River under fire to succor wounded Union soldiers at Fredericksburg transporting critical supplies to field hospitals at Antietam and enduring searing heat and brackish water on the sun scorched beaches of South Carolina She willingly braved hardship and danger in order to help the young men under her care receiving in return their love and respect Most of Barton's biographers have accepted her statements at face value but in doing so they stand on shaky ground for Barton was a relentless self promoter and often embellished her stories in an effort to enhance her accomplishments In Clara Barton's Civil War Between Bullet and Hospital distinguished historian Donald Pfanz revisits Barton's claims comparing the information in her speeches with contemporary documents including Barton's own wartime diary and letters In doing so he provides the first balanced and accurate account of her wartime service a service that in the end needed no exaggeration *The Civil War* McDougal Littell,McDougal-Littell Publishing Staff,2000 The U S Civil War marked a change in the way warfare was conducted It changed how U S citizens thought about themselves It changed the way states related to the central government Read about the inspiring men and women who influenced the Civil War and the nation it created This series explores and supports the standards Era 4 Expansion and Reform 1801 1861 and Era 5 Civil War and Reconstruction 1850 1877 as required by the National Standards for History **The Americans** ,2005 A Woman of Valor Stephen B. antislavery legislation during the Civil War years Contemporary newspapers gave him the primary credit for abolishing slavery in the District of Columbia which was the most important abolition step prior to the Emancipation Proclamation When free Black men were admitted to the army Wilson worked hard to obtain equal pay for them Late in the war he played a major role in the creation of the Freedmen s Bureau Among his other legendary achievements Wilson used his influential position to support Clara Barton enabling her to aid wounded soldiers He also introduced and succeeded in having passed legislation creating the Congressional Medal of Honor and establishing the National Academy of Science *El-Hi Textbooks & Serials in Print*, 2005 ,2005 Women in American History Cynthia Ellen Harrison,1979 The Life of Clara Barton Percy Harold Epler,1915 A biography made more interesting through the free use of unpublished war diaries and letters and personal recollections Children's Books in Print, 2007 ,2006 **Subject Collections** Lee Ash,William Gerald Miller,1993 Clara Barton David H Burton,1995-02-14 This book is a concise interpretive account of the life of Clara Barton from her childhood in Massachusetts through her feats of heroism during the Civil War her founding of the American Red Cross which she led for 20 years and her bitterly contested ejection from office which clouded her last decade Clara Barton 1821 1912 led a life in the service of humanity Undoubtedly heroic and undoubtedly generous in her impulse to aid others she nonetheless remained a self centered individual who could brook neither criticism nor ingratitude Her life story is told here with sympathy and understanding without sacrificing candor or honesty America, History and Life ,1990 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Clara Barton** ,1832 Copies of her correspondence with Frank Norton and sections of the 1881 1882 diary do not appear among the originals at the Library of Congress the AAS diary selections for the period 21 December 1881 to 8 April 1882 are not duplicated in the Library of Congress collection which does include diary selections for 1 January to 24 July 1882 and 8 October to 1 November 1882 **Forthcoming Books** Rose Arny,1998-04 *The Clara Barton You Never Knew* James Lincoln Collier,2003 Explores the childhood character and influential events that shaped the life of the Civil War nurse who went on to found the American Red Cross **Amazing Civil War Nurse Clara Barton** Mary Dodson Wade,2009-07-01 Biography of Clara Barton and the American Red Cross Index to Educational Audio Tapes ,1974 **News Notes of California Libraries** California State Library,1942 Vols for 1971 include annual reports and statistical summaries **Index to Educational Audio Tapes** National Information Center for Educational Media,1974
