Warhol Victor Bockris:

The Life and Death of Andy Warhol Victor Bockris, 1998 *Warhol* Victor Bockris, 2009-04-29 Artist filmmaker magazine publisher instigator of Pop Art Andy Warhol 1928-1987 used his canvasses of dollar bills soup cans and celebrities to subvert distinctions between high and popular culture His spectacular career encompassed the underground scene as well as the equally deviant worlds of politics show business and high society Warhol is the definitive chronicle of Warhol's storied life **The Burroughs-Warhol Connection** Victor Bockris, 2024-12 The Burroughs Warhol Connection revolves around four meetings between William S Burroughs and Andy Warhol in 1980 Its author Victor Bockris was a friend and collaborator of both men and attempted to bring them together for a series of interviews The results were comical absurd and brilliant The two never quite seemed capable of connecting yet somehow a bond was formed and they came to like and respect one another Bockris has collected the interviews he recorded which are punctuated by visits from Mick Jagger Lou Reed David Bowie Debbie Harry and other luminaries mixed them with excerpts from his journals and gathered one hundred photographs and collages There are also reflective essays from Bockris and Jed Birmingham The book is a collage a cut up a constellation It is a vital and beautiful document of the connection and missed connections between two of the most important minds of the last century It also features a long brilliant interview with Bockris conducted by Leon Horton a frequent contributor to *Beatdom* and editor of the recently published *Ten Times a Poet* **Conversations** Victor Bockris, 2014 Durant l'ann e 1980 Victor Bockris a organis  et enregistr  quatre rencontres entre William Burroughs et Andy Warhol Des rencontres informelles qui eurent lieu la Factory et dans des restaurants new yorkais Le pape du pop art et la figure de la Beat Generation avaient forc ment des choses se dire Il pr tend que c'est Andy Warhol qui lui a appris mener une interview Son conseil Ne pr pare jamais tes questions Fais comme s'il s'agissait d'un cocktail **With William Burroughs** William S. Burroughs, Victor Bockris, 1996-11-15 William Burroughs the eccentric brilliant artist who burned a bridge with logic and wrote the classic *Naked Lunch* continues to fascinate readers Now the artist's long time friend writer Victor Bockris records for all objective time the choice private and public hallucinatory and prescient utterances of Burroughs and his famous circle 60 photos *Beat Punks* Victor Bockris, 2000-11-30 Here accompanied by dozens of unique photographs are the very best of Victor Bockris's infamous interviews essays and observations on the stars of downtown Manhattan in the 1970s and 1980s The internationally acclaimed biographer Bockris was there as a witness friend collaborator and co-conspirator Some of the stars were founding members of Beat or Punk others were just passing through But all of them rockers rebels artists and intellectuals revealed more to Bockris than they did to any other writer Allen Ginsberg Richard Hell Andy Warhol Robert Mapplethorpe Debbie Harry William Burroughs Patti Smith Marianne Faithfull Keith Richards Terry Southern Martin Amis and Susan Sontag Bockris's conclusion that Punk owed the Beats a big debt and that the Beats were in turn re-animated by the Punks is argued from the perspective of someone who was in the thick of it and who loved every

minute of it Conversations Andy Warhol, Victor Bockris, William Seward Burroughs, 2012-10-01 Durant l'année 1980 Victor Bockris a organisé et enregistré quatre rencontres entre William Burroughs et Andy Warhol. Des rencontres informelles qui eurent lieu à la Factory et dans des restaurants new yorkais. Le pape du Pop Art et la figure de la Beat Generation avaient forcément des choses à se dire. Warhol et Burroughs au cours de ces quatre rendez-vous vont faire ensemble le tour de la Factory, discuter l'œuvre que Warhol vient d'achever, parler de tout, de rien, de culture, de sexe, d'amour, de drogues et de vodka-tonic. Parfois leur table d'autres personnalités de passage s'invitent. C'est ainsi que Mick Jagger apparaît en guest star de luxe. Agrément d'une cinquantaine de photos Warhol Burroughs *Conversations* balaie largement le paysage culturel, capte l'ambiance, l'effervescence de ce début de la décennie 1980 et témoigne d'une amitié naissante, d'une complicité entre ces deux grandes figures de la culture américaine. Victor Bockris est journaliste, il a accompagné Andy Warhol dans l'aventure de la Factory et a écrit de nombreux ouvrages et articles sur cette période et ses principaux protagonistes Lou Reed, Warhol, entre autres. Il prétend que c'est Andy Warhol qui lui a appris mener une interview. Son conseil : Ne prépare jamais tes questions. Fais comme si il s'agissait d'un cocktail.

Warhol's Muses Laurence Leamer, 2025-05-06 ONE OF 12 NEW NONFICTION BOOKS YOU NEED TO READ IN 2025 THE OBSERVER A MUST READ BOOK OF SPRING 2025 TOWN COUNTRY ONE OF 25 BOOKS TO READ IN 2025 TORONTO STAR From the New York Times bestselling author of Capote's Women comes an astonishing account of the revolutionary artist Andy Warhol and his scandalous relationships with the ten women he deemed his Superstars. Now and then someone would accuse me of being evil. Andy Warhol confessed of letting people destroy themselves while I watched just so I could film them. Obsessed with celebrity, the silver-wigged artistic icon created an ever-evolving entourage of stunning women he dubbed his Superstars: Baby Jane Holzer, Edie Sedgwick, Nico, Ultra Violet, Viva, Brigid Berlin, Ingrid Superstar, International Velvet, Mary Woronov, and Candy Darling. He gave several of them new names and manipulated their beauty and talent for his art and social status with no regard for their safety, their dignity, or their lives. In *Warhol's Muses*, bestselling biographer Laurence Leamer shines a spotlight on the complex women who inspired and starred in Warhol's legendary underground films *The Chelsea Girls*, *The Nude Restaurant*, and *Blue Movie*, among others. Drawn by the siren call of Manhattan life in the sixties, they each left their protected enclaves and ventured to a new world: Warhol's famed Factory, having no sense that they would never be able to return to their old homes and familiar ways again. Sex was casual, drugs were ubiquitous, parties were wild, and to Warhol, everyone was transient, temporary, and replaceable. It was a dangerous game he played with the women around him, and on a warm June day in 1968, someone entered the Factory and shot him, changing his life forever. *Warhol's Muses* explores the lives of ten endlessly intriguing women, transports us to a turbulent and transformative era, and uncovers the life and work of one of the most legendary artists of all time. *Patti Smith* Victor Bockris, Roberta Bayley, 1999 Patti Smith came to New York at the age of nineteen, determined to become someone. And she did with a vengeance. Patti's intensely dramatic style, her sensuality, and her outrageous acts set her apart from other

performers of the 1970s She was an astonishingly bold and powerful artist In Patti Smith Victor Bockris the much respected biographer of Lou Reed and Keith Richards and Roberta Bayley present the first full length biography of one of the most revered female rock artists of all time as well as a fascinating portrait of the frenzied New York scene in which she rocketed to fame From her roots in New Jersey to her reemergence after the death of her husband in the 1990s this remarkable biography documents Patti Smith s life within the larger context of the ebullient artistic climate of the 1970s and examines her influence on the generation of women artists who followed Bockris and Bayley explore Patti s complicated and intriguing relationships with Robert Mapplethorpe and Sam Shepard and her friendships with Bob Dylan John Cale Lou Reed and many other avant garde musicians and artists placing her at the heart of the New York art scene But as quickly as she rose to acclaim she did the unexpected She dropped out of sight and moved to Detroit to marry and raise a family Filled with little known stories and anecdotes about some of rock s most famous names Bockris and Bayley s stunning profile of this cultural icon confirms what Ingrid Sischy wrote in an article in Interview magazine Smith gives us something that music and words are supposed to but in fact rarely deliver the power to transport ourselves

Andy Warhol's Factory People Catherine O'Sullivan Shorr, 2018-09-18 Based on the television documentary A three part oral history of the Pop Art sensation s inner circle and their dazzling world of art drugs and drama Featuring a new introduction by the author special to this collection this three part companion volume to Emmy Award winning Catherine O Sullivan Shorr s documentary Andy Warhol s Factory People is an unprecedented expos of an exhilarating and tumultuous time in the 1960s New York City art world told by the artists actors writers musicians and hangers on who populated and defined the Factory Different in its avowed bottom up approach Warhol as a function of his followers is the idea This time it s the interviews that tell the tale Robert Lloyd Los Angeles Times Welcome to the Silver Factory In 1962 frustrated with advertising work Warhol sets up his legendary studio in an abandoned hat factory on Manhattan s 47th Street The Silver Factory quickly becomes the hub of Warhol s creative endeavors the space where he constantly works while an ever changing cast of characters and muses passes through with their own contributions Speeding into the Future In a peak period from 1965 through 1966 Warhol creates the notion of the It Girl with ingenuous debutante Edie Sedgwick discovers Lou Reed the Velvet Underground and Nico the gorgeous chanteuse who becomes his next It Girl and directs with Paul Morrissey his most commercially successful film the art house classic Chelsea Girls Your Fifteen Minutes Are Up By 1967 it seems that the Factory has outlived its fifteen minutes of fame Superstars like Edie Sedgwick fall victim to drugs Factory denizens have falling outs with Warhol as do the Velvet Underground who are also caught up in disputes of their own Into the chaos comes radical feminist Valerie Solanas who shoots Warhol and seriously injures him He survives barely but the artist and his art are forever changed

Uptight: The Velvet Underground Story Gerard Malanga, 2009-10-28 The best selling definitive history of The Velvet Underground Widely acclaimed as one of the greatest rock books ever published it first appeared in 1983 and has remained in print in several

languages ever since Written and compiled by Victor Bockris and Gerard Malanga Up Tight is based on interviews with all four members of the Velvets as well as others who became part of Andy Warhol's circle of artistic collaborators

Transformer: The Complete Lou Reed Story: Free Sampler Victor Bockris, 2014-10-23 A triumph Time Out Transformer is the only complete and comprehensive telling of the Lou Reed story **Andy Warhol** Edward Willett, 2010-07-01 A biography of avant garde painter printmaker and filmmaker Andy Warhol discussing his early struggles rise to fame as a controversial pop artist personal hardships and legacy Provided by publisher **The Optical Unconscious** Rosalind E. Krauss, 1994-07-25 The Optical Unconscious is a pointed protest against the official story of modernism and against the critical tradition that attempted to define modern art according to certain sacred commandments and self fulfilling truths The account of modernism presented here challenges the vaunted principle of vision itself And it is a very different story than we have ever read not only because its insurgent plot and characters rise from below the calm surface of the known and law like field of modernist painting but because the voice is unlike anything we have heard before Just as the artists of the optical unconscious assaulted the idea of autonomy and visual mastery Rosalind Krauss abandons the historian's voice of objective detachment and forges a new style of writing in this book art history that insinuates diary and art theory and that has the gait and tone of fiction The Optical Unconscious will be deeply vexing to modernism's standard bearers and to readers who have accepted the foundational principles on which their aesthetic is based Krauss also gives us the story that Alfred Barr Meyer Shapiro and Clement Greenberg repressed the story of a small disparate group of artists who defied modernism's most cherished self descriptions giving rise to an unruly disruptive force that persistently haunted the field of modernism from the 1920s to the 1950s and continues to disrupt it today In order to understand why modernism had to repress the optical unconscious Krauss eavesdrops on Roger Fry in the salons of Bloomsbury and spies on the toddler John Ruskin as he amuses himself with the patterns of a rug we find her in the living room of Clement Greenberg as he complains about smart Jewish girls with their typewriters in the 1960s and in colloquy with Michael Fried about Frank Stella's love of baseball Along the way there are also narrative encounters with Freud Jacques Lacan Georges Bataille Roger Caillois Gilles Deleuze and Jean Fran ois Lyotard To embody this optical unconscious Krauss turns to the pages of Max Ernst's collage novels to Marcel Duchamp's hypnotic Rotoreliefs to Eva Hesse's luminous sculptures and to Cy Twombly's Andy Warhol's and Robert Morris's scandalous decoding of Jackson Pollock's drip pictures as Anti Form These artists introduced a new set of values into the field of twentieth century art offering ready made images of obsessional fantasy in place of modernism's intentionality and unexamined compulsions Across the Great Divide Rhys Davies, Christopher Townsend, Alexandra Trott, 2014-10-21 There's nothing pure about modernism For all the later critical emphasis upon medium specificity modernist artists in their own times revel in the exchange of motifs and tropes from one kind of art to another they revel in staging events where different media play crucial roles alongside each other where different media interfere with each other to spark new and surprising

experiences for their audiences This intermediality and multi media activity is the subject of this important collection of essays The authoritative contributions cover the full historical span of modernism from its emergence in the early twentieth century to its after shocks in the 1960s Studies include Futurism s struggle to create an art of noise for the modern age the radical experiments with poetry painting and ballet staged in Paris in the early 1920s the relationship of poetry to painting in the work of a neglected Catalan artist in the 1930s the importance of architecture to new conceptions of performance in 1960s Happenings and the complex exchange between film music and sadomasochism that characterises Andy Warhol s Exploding Plastic Inevitable

The Trip Deborah Davis,2016-08-30 From the author of Strapless and Guest of Honor a book about a little known road trip Andy Warhol took from New York to LA in 1963 and how that journey and the numerous artists and celebrities he encountered profoundly affected his life and art

A Companion to Photography Stephen Bull,2020-02-03 The study of photography has never been more important A look at today s digital world reveals that a greater number of photographs are being taken each day than at any other moment in history Countless photographs are disseminated instantly online and more and more photographic images are earning prominent positions and garnering record prices in the rarefied realm of top art galleries Reflecting this dramatic increase in all things photographic A Companion to Photography presents a comprehensive collection of original essays that explore a variety of key areas of current debate around the state of photography in the twenty first century Essays are grouped and organized in themed sections including photographic interpretation markets popular photography documents and fine art and provide comprehensive coverage of the subject Representing a diversity of approaches essays are written by both established and emerging photographers and scholars as well as various experts in their respective areas A Companion to Photography offers scholars and professional photographers alike an essential and up to date resource that brings the study of contemporary photography into clear focus

Kennedy and the Promise of the Sixties W. J. Rorabaugh,2002-09-16 This book explores life in America during that brief promising moment in the early Sixties when John F Kennedy was President Kennedy s Cold War frustrations in Cuba and Vietnam worried Americans The 1962 missile crisis narrowly avoided a nuclear disaster The civil rights movement gained momentum with student sit ins Freedom Rides and crises in Mississippi and Alabama Martin Luther King Jr emerged as a spokesman for non violent social change The American family was undergoing rapid change Betty Friedan began to launch the Women s Movement The Beat authors Jack Kerouac and Allen Ginsberg gained respectability and at the same time Joan Baez and Bob Dylan revived folk music Roy Lichtenstein and Andy Warhol produced Pop Art while Ginsberg Aldous Huxley Timothy Leary and Ken Kesey began to promote psychedelic drugs The early Sixties was a period of marked political social and cultural change which this book relates and discusses

Cutting Performances James M. Harding,2012-06-26 Sheds light on the critical role that women artists have played in the evolution of the American avant garde

Transformer: The Complete Lou Reed Story Victor Bockris,2014-10-23 A triumph Time Out Transformer is the only complete and

comprehensive telling of the Lou Reed story
