Baer, 2012-04-15 Traces the history of the golem legend and its appropriations in German texts and film as well as in post Holocaust Jewish American fiction comics graphic novels and television First mentioned in the Book of Psalms in the Hebrew Bible the golem is a character in an astonishing number of post Holocaust Jewish American novels and has served as inspiration for such varied figures as Mary Shelley's monster in her novel *Frankenstein* a frightening character in the television series *The X Files* and comic book figures such as Superman and the Hulk In *The Golem Redux* From Prague to Post Holocaust Fiction author Elizabeth R Baer introduces readers to these varied representations of the golem and traces the history of the golem legend across modern pre and post Holocaust culture In five chapters *The Golem Redux* examines the different purposes for which the golem has been used in literature and what makes the golem the ultimate text and intertext for modern Jewish writers

Baer begins by introducing several early manifestations of the golem legend including texts from the third and fourth centuries and from the medieval period Prague's golem legend which is attributed to the Maharal Rabbi Judah Loew the history of the Josefov the Jewish ghetto in Prague the site of the golem legend and versions of the legend by Yudel Rosenberg and Chayim Bloch which informed and influenced modern intertexts In the chapters that follow Baer traces the golem first in pre Holocaust Austrian and German literature and film and later in post Holocaust American literature and popular culture arguing that the golem has been deployed very differently in these two contexts Where prewar German and Austrian contexts used the golem as a signifier of Jewish otherness to underscore growing anti Semitic cultural feelings post Holocaust American texts use the golem to depict the historical tragedy of the Holocaust and to imagine alternatives to it In this section Baer explores traditional retellings by Isaac Bashevis Singer and Elie Wiesel the considerable legacy of the golem in comics Michael Chabon's *The Amazing Adventures of Kavalier and Clay* and finally Golems to the Rescue in twentieth and twenty first century works of film and literature including those by Cynthia Ozick Thane Rosenbaum and Daniel Handler By placing the Holocaust at the center of her discussion Baer illustrates how the golem works as a self conscious intertextual character who affirms the value of imagination and story in Jewish tradition Students and teachers of Jewish literature and cultural history film studies and graphic novels will appreciate Baer's pioneering and thought provoking volume

Trajectories of Memory Beth Griech-Polelle, Christina Guenther, 2021-01-20 This volume which grew out of a conference of the same name held at Bowling Green State University in March 2006 represents new scholarly perspectives on the way in which the Holocaust is remembered in history literary studies and theatre It is a response to changing representations of the Holocaust across generations disciplines and in various cultural and national contexts The contributions address the following questions How do historians artists scholars and teachers negotiate the language of the Holocaust as survivors die leaving future generations to respond to the dictum Never again How do children and grandchildren of survivors perpetrators bystanders transmit the difficult legacy of the Holocaust in American Israeli French German Swiss and Austrian contexts while navigating feelings of transgenerational guilt or victimhood How can we

do justice to survivor testimony when the survivors can no longer speak directly or mediate the testimony to us How does transferred and multiply mediated knowledge translate into meaningful artifacts for the next generations The collection features an interview about interdisciplinarity within Holocaust studies conducted at the conference with keynote speakers Marianne Hirsch and Leo Spitzer The articles in the first section explore the complex relationship between memory oral history and historiography in cross cultural contexts The second section includes articles on texts by Cynthia Ozick Thane Rosenbaum Daniel Handler W G Sebald Monika Maron Stephan Wackwitz Jonathan Foer Art Spiegelman Georges Arthur Goldstein Benjamin Wilkomirski Elfriede Jelinek Thomas Bernhard Tim Blake Nelson and Diane Samuel **Narrative**

Snicket, 2024-05-21 You never love a book the way you love a book when you are ten Writing as Lemony Snicket Daniel Handler has led several generations of young readers into that special and curious space of being hopelessly lost and joyfully finding yourself in the essential strangeness of literature The wondrous and perilous journey of the Baudelaire orphans sprung from the author's own path from his childhood discovery of Baudelaire's poetry through the countless peculiarities of his pursuit of a literary life abject failure and startling success breakthrough and breakdown concordance and controversy lit along the way by the books and culture he loved best At once a personal memoir and a literary exploration a how to book and a critical inquiry a sequence of stories and a series of events And Then And Then What Else is a book not just for anyone curious about the creator of Lemony Snicket but for anyone who loved books when they were a child and still loves them now

Money Changes Everything Jenny Offill, Elissa Schappell, 2008-01-15 The editors of *The Friend Who Got Away* are back with a new anthology that will do for money what they did for women's friendships. Ours is a culture of confession yet money remains a distinctly taboo subject for most Americans. In this riveting anthology a host of celebrated writers explore the complicated role money has played in their lives whether they're hiding from creditors or hiding a trust fund. This collection will touch a nerve with anyone who's ever been afraid to reveal their bank balance. In these wide-ranging personal essays Daniel Handler, Walter Kirn, Jill McCorkle, Meera Nair, Henry Alford, Susan Choi and other acclaimed authors write with startling candor about how money has strengthened or undermined their closest relationships. Isabel Rose talks about the trials and tribulations of dating as an heiress. Tony Serra explains what led him to take a forty-year vow of poverty. September 11 widow Marian Fontana illuminates the heartbreak and moral complexities of victim compensation. Jonathan Dee reveals the debt that nearly did him in. And in paired essays Fred Leebron and his wife Katherine Rhett discuss the way fights over money have shaken their marriage to the core again and again. We talk openly about our romantic disasters and family dramas, our problems at work and our battles with addiction. But when it comes to what is or is not in our wallets we remain determinedly mum. Until now that is. *Money Changes Everything* is the first anthology of its kind: an unflinching and on the record collection of essays filled with entertaining and enlightening insights into why we spend, save and steal. The pieces in *Money Changes Everything* range from the comic to the harrowing yet they all reveal the complex emotionally charged role money plays in our lives by shattering the wall of silence that has long surrounded this topic.

Why We Broke Up Daniel Handler, 2011-12-27 I'm telling you why we broke up. Ed. I'm writing it in this letter: the whole truth of why it happened. Min Green and Ed Slaterton are breaking up so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for and then the box, like a girlfriend, will be dumped.
