B. Feuer,2002-07-30 Using previously unpublished diaries letters and photographs plus the writings of war correspondent John T McCutcheon Feuer offers a vivid account of America s war in the Philippine Islands during the early part of the 20th century This story highlights the experiences of the American soldiers sailors and marines who participated in the major battles Not only did they fight a determined enemy they also battled the weather the jungle and the diseases that threatened to take their lives Their writings including a section of poems and songs of the era reveal the thoughts and anxieties of the American fighting man serving his country nearly 8 000 miles from home In 1895 Emilio Aguinaldo became the leader of Katipunan a revolutionary society that sought complete independence from

Spain A year later his ragtag band of soldiers defeated a Spanish regiment a victory that incited the Filipino people to rise up against their oppressors While the Spanish ultimately paid Aguinaldo to enter voluntary exile in 1898 after the sinking of the Maine R the United States would promise independence for the islands in exchange for Aguinaldo s return to lead an uprising against Spain The U S State Department would later repudiate this promise a move that would embroil United States troops in a bloody struggle to subdue the islands This is their story **A Woman at War** Molly Moore,1993-06-21 Moore was the only journalist to accompany a senior commanding general as he led his troops into battle Her book is an account of the war as she lived it by the side of Walter E Boomer the top Marine general as well as the unique story of a woman inside the Gulf War military machine This is Operation Desert Storm as it was not seen on TV Photos **Le Cateau** Nigel Cave,Jack Sheldon,2008-03-26 Le Cateau 26 27 August 1914 was the second major action fought by the BEF in the Great War His men exhausted after fighting at Mons and by the subsequent speedy retreat Lieutenant General Horace Smith Dorrien commanding II Corps decided that he had to make a stand in the vicinity of Le Cateau There his men took on elements of four German corps in an action that succeeded in giving the BEF a respite but at considerable cost Amongst other elements of controversy in the conduct of the battle was the handling of the Royal Artillery The battle also undermined the already fraught relationship between Smith Dorrien and the BEF s commander John French The battlefield today remains largely as it was open countryside and it is an ideal location to view one of the most significant British battlefields of the early days of the war In this action no less than five Victoria Crosses were won three of them in one howitzer battery and two by men of the 2nd King s Own Yorkshire Light Infantry *The Brave Men of Company A* Edward S. Cooper,2015-02-18 On August 26 1861 one hundred volunteers met at Camp Wood and formed Company A These men for the most part were well educated and left to us a series of letters to families and friends diaries letters to their local newspapers official reports and talks they gave after the war at reunions Their correspondence differs from most others in that they do not simply record the temperature and what they had to eat The story the correspondence of Company A tells allows the reader to know what it was really like to be a volunteer soldier The men describe what they saw from their vantage points on the parts of the battlefield they could see Their letters cover their discussions and arguments concerning slavery the national draft the right of citizen soldiers to confiscate property and the use of blacks in combat On a very personal level they describe what it was like to be captured and spend time in Confederate prisons awaiting exchange what they felt when they had to leave wounded or dead comrades on the field when they had to retreat whether to reenlist the punishments they had to endure the witnessing of military executions and whether to mutiny There are marvellous descriptions of the unauthorized truces the men arranged with the Confederates to trade tobacco for coffee or to bathe in a stream separating them **Daggers Drawn** Mike Morgan,2011-11-30 Mike Morgan presents 25 stories about the larger than life exploits of the SAS and SBS in World War II supported by a selection of rare archive and action shots These vivid stories including some new and previously

unpublished supported by an updated selection of rare archive and action photographs explore the larger than life escapades of the Special Air Service in the Second World War From an SAS Jeep patrol in France outnumbered fifty to one who shot their way out to safety in their bullet riddled vehicle and killed a quarter of their SS opposition to an SAS soldier who talked his way through enemy roadblocks in North Africa in full British uniform and tore a strip off the guard for neglecting to check his papers this is the first comprehensive collection of all the best stories in one book **A History of the SAS** John

Strawson,2023-08-17 Who Dares Wins The world s most legendary special forces unit and a history of action you will barely believe This is the extraordinary secretive story of how the SAS evolved from an unconventional handful of soldiers operating behind enemy lines in North Africa in 1941 into the world s most disciplined and respected professionals up to their daring and dangerous exploits in the Iranian Embassy siege and the Falkland Islands We see them during the latter years of the Second World War in the numerous post war security campaigns in the Middle and Far East and in the difficult circumstances of urban terrorism Above all we see how the regiment s founder David Stirling s emphasis on The Man has not changed at all Here indeed are men who dare to excel and in General Strawson they have a worthy chronicler of their remarkable activities both in wartime and in the savage wars of peace In the first history of the SAS ever published we see their unique courage on full display a courage that changed the British Army and the world **Allah's Mountains**

Sebastian Smith,2005-11-25 A mixture of travelogue history and war journalism Allah s Mountains tells the story of the conflict between a nation of mountain tribes and the might of the Russian army Ancient travellers called the Caucasus the mountain of languages Greeks Persians Romans Goths Arabs Mongols and Turks have all passed through the region poets and artists have been inspired by its rugged beauty Yet its history is a tragic one for centuries it has been ravaged by virtually continuous conflict The Caucasus is a hugely strategic part of the world sandwiched between Iran Turkey and Russia and crossed by some of the most valuable oil pipelines in the world The latest conflict to sweep across the area began when Vladimir Putin invaded Chechnya in 1999 Thousands of Russian soldiers and thousands more Chechens both rebels and civilians died and Chechnya s towns and cities were bombed beyond recognition Sebastian Smith travelled to Chechnya during this period Allah s Mountains is the story of the history people and cultures of the Caucasus and of tiny ethnic groups struggling for both physical and cultural survival *Through the Wall of Fire* Muriel Mirak-Weissbach,2022-07-01 Can

peoples and nations who have been pitted against each other in geopolitically manipulated conflict overcome their adversarial relationship and achieve reconciliation This book answers the question examining the Armenian genocide of 1915 the two Iraq wars and embargo regime as well as the ethnic cleansing of the Palestinians beginning in 1948 It portrays these seminal moments of the 20th century through the eyes of those who were children at the time Their first hand accounts of the dramatic events are corroborated by documented historical research in the effort to identify which political forces were ultimately responsible and why An episode from Dante s Divine Comedy the pilgrim s passage through a Wall of Fire serves

as a metaphor for the challenge facing political leaders and their citizens who seek reconciliation like the pilgrim poet they must undergo a profound internal emotional transformation overcoming the hatred bitterness and desire for revenge that the traumatic past has left behind In contemporary politics traversing the Wall of Fire requires abandoning the prejudices and ignorance bred by conflict It means facing the truth about the past acknowledging the historical record in all its brutality and identifying those responsible Only then is it possible to forgive and forget in the spirit of the Westphalian Peace to define a new relationship based on the commitment to enhance the progress of the Other Endkampf Stephen G. Fritz, 2004-10-08

This thoroughly researched and superbly written study examines the final days of WWII combat within Germany during the occupation of Franconia WWII History At the end of World War II Gen Dwight D Eisenhower turned US forces toward the Franconian region of Germany ordering them to cut off and destroy German units before they could escape into the Alps Opposing this advance were German forces headed by SS Gruppenführer Max Simon a committed National Socialist who advocated merciless resistance Caught in the middle were the people of Franconia Historians have largely overlooked this period of violence and terror but it provides insight into the chaotic nature of life while the Nazi regime was crumbling Neither German civilians nor foreign refugees acted simply as passive victims caught between two fronts Throughout the region people pressured local authorities to end the senseless resistance Others sought revenge for their tribulations in the liberation that followed Stephen G Fritz examines the predicament and perspective of American GI s German soldiers and officials and the civilian population Endkampf is a gripping portrait of the collapse of a society and how it affected those involved whether they were soldiers or civilians victors or vanquished perpetrators or victims
