Kellemen, 2015-11-03 As people face addictions, deal with loss and grief, and seek help in restoring broken relationships where can they turn for counsel and assistance? The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can. In *Biblical Counseling and the Church* Bob Kellemen and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church. This comprehensive resource, part of the Biblical Counseling Coalition series, helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling—a church culture that is saturated by one another's ministry. Divided into five parts, *Biblical Counseling and the Church* will help church leaders unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling. Offer

Managing Conflict God's Way Richard W. Tow, 2025-08-11 *Managing Conflict God's Way* is more than just a helpful book it's a timely and Spirit-led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life's hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That's why this book matters It offers more than just strategies and skills it invites you into a Christ-centered way of living and leading grounded in the call to love your neighbor as yourself In today's divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend *Managing Conflict God's Way* to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard's extensive professional experience in both secular and faith-based
