Friends' Weekly Intelligencer, 1895 **Food, Friends and Funerals** Elizabeth Whinfrey-Koepping, 2008 This is a wide ranging yet incisive text on religion from below by an anthropologist based on many years of field work in Borneo and Australia and current teaching in practical theology and religious studies. It argues that rural Lutherans in Australia and rural Anglicans Muslims and local religionists in Malaysia whose views form the core of the book discern their religious identity primarily in terms of their food friends and partners and funeral practices and only

secondarily if at all in terms of belief and doctrine It also critiques ego centred and ethnocentred approaches to religion too often apparent in religious studies and missiology

Passionate Friends Herbert George Wells, 1915 *A Life Lived and Laid Down for Friends* Don Erickson, 2019-08-06 *A Life Lived and Laid Down for Friends* reflects on the iconoclastic life and ministry of Jesus of Nazareth From the riches in the rags story of the nativity to his compassion moved sacrifice to save his disciples this book reflects on Jesus as first and foremost a spiritual teacher who embodied compassion Pastor and author Don Erickson shows how the humility embodied by society's most vulnerable was for Jesus the benchmark for inclusion in God's kingdom The book also looks at Jesus' approach to

religious pluralism a reality he experienced in ancient Palestine under Roman rule It was an approach that evidenced Jesus pointing to expressions of compassion rather than to mere faith In addition the book examines the story of Jesus crucifixion and resurrection offering a view that both asserts the centrality of the passion and bases it in historical context that avoids universalizing the story away The crucifixion itself is shown to be a portrait of embodied representative compassion that is salvific in its reach Inspired by the powerful teachings of liberation theology as well as a Buddhist influenced approach to the Gospels A Life Lived and Laid Down for Friends gives a fresh poignant portrait of Jesus that defies Trump America s resistance to Jesus radically compassionate life and teaching
