Along Came a Soldier June Harman Betts,2010-06-10 At the end of World War II the young girl had no idea she was the answer to a dying old man s prayer when along came a soldier into her life Whether it was the power of the unknown prayer or the persistence of the soldier that chance meeting

changed her life into a roller coaster ride that was filled with fun and zany antics Along Came a Soldier is a page turner in the style of June Harman Betts first two books Father Was A Caveman and We Were Vagabonds It recreates the life of an American family immediately following World War II into the turbulent years of the Vietnam War

COMMENTS FROM ACTUAL READERS I enjoyed June Harman Betts articles in our local paper for years Needless to say I was thrilled to hear that she had written a book AND WHAT A READ As she did so well in her newspaper articles she takes us to a place of memories romance heart filled times of joy and sorrow all while sharing the still unwinding story of our greatest generation

Dianne Cline Denison University As June Harman Betts pens the true story of the family s history one becomes riveted by the highlights and heartbreaks of this intriguing family The reader is drawn into the family s history with her ability to bring back memories of the reader s own bygone days through her vivid description of the various areas of the country where the family lived One looks forward to her third book as she continues to weave her story with the young girl s marriage to a young soldier and their life together

James Ritchey Newark Ohio Father Was A Caveman was so great especially when it described days of long ago I enjoyed it so much and also the sequel We Were Vagabonds June Harman Betts is a wonderful author I could not put the book down Even though I read it from the library in Petersburg West Virginia I had to order my own copy for future generations

Surviving the end of the world was the easy part It s twelve years since the dead came back Ravening mindless zombies have devoured almost every living thing on the planet The few scattered survivors are surviving on canned goods and a refusal to give in and die They are lead by Ayaan a former child soldier turned brilliant strategist She s twenty eight years old in a world where the average life expectancy is twenty five Together with her adopted ward Sarah who has the psychic ability to see the life force of the undead she s gathered a few hundred survivors in Africa and given them safety something to eat and the possibility of a future It would be a lot easier if the zombies weren t so well organized Out of the east a dead prince has risen The Tsarevich the most powerful lich the world has yet seen is able to command his fellow zombies and has crafted them into an unstoppable army He has swept across Russia and eastern Europe hunting down every survivor he can find He s about to come down on Ayaan and her desert oasis like a tidal wave of death and horror Yet quickly enough Ayaan realizes he s not just out for her destruction He has something else in mind a goal that will take him and her across oceans all the way back to Colorado where the first zombies rose from the grave He s going back to the Source and when he reaches it no one will ever be safe again The fate of all life on the planet is up for grabs and if Ayaan and Sarah can t stop him there will be no more second chances
