*She Who Waits* Daniel Polansky, 2013-12-01 Low Town the worst ghetto in the worst city in the Thirteen Lands Good only for depravity and death And Warden long ago a respected agent in the formidable Black House is now the most depraved Low Town denizen of them all As a younger man Warden carried out more than his fair share of terrible deeds and never as many as when he worked for the Black House But Warden s growing older and the vultures are circling Low Town is changing faster than even he can control and Warden knows that if he doesn t get out soon he may never get out at all But Warden must finally reckon with his terrible past if he can ever hope to escape it A hospital full of lunatics a conspiracy against the corrupt new king and a ghetto full of thieves and murderers stand between him and his slim hope for the future And behind them all waits the one person whose betrayal Warden never expected The one person who left him broken and bitter to become the man he is today The one woman he ever loved She who waits behind all things

**Those Below: The Empty Throne Book 2** Daniel Polansky, 2016-03-10 For centuries beyond counting humanity has served the Others god like Eternals who rule from their cloud capped mountain city building a civilization of unimagined beauty and unchecked viciousness But all that is about to change Bas Alyates grizzled general of a thousand battles has assembled a vast army with which to contend with the might of Those Above Eudokia Machiavellian matriarch and the power behind the Empty Throne travels to the Roost nominally to play peacemaker but in fact to inspire the human population toward revolt Deep in the dark byways of the mountain s lower tiers the urchin Pyre leads a band of fanatical revolutionaries in acts of terrorism against their inhuman oppressors Against them Calla handmaiden of the Eternals king fights desperately to stave off the rising tide of violence which threatens to destroy her beloved city The story begun in *Those Above* comes to a stunning conclusion in this unforgettable battle for the hearts and minds of the human race making *The Empty Throne* the most exciting epic fantasies of recent times

**Dark Rome** Brenda Paske, 2010-08-31 There is a sotto passaggio that starts at the top of the Via Veneto and twists and turns underground It is lit with flattering pink lights in a long strip on the ceiling The passage goes past the train connections and the Roman Sports Club Ultimately it arrives at the bottom of the Spanish Steps saving you the cautious walk down the slippery uneven Steps themselves And out you go into a different darker Rome *Dark Rome and Other Stories* is a four part collection of twenty three fantastical stories takes you on journeys of unforeseen resolution *Dark Rome* offers tales of an alternate Eternal City where an ancient serpent rules a crumbling palazzo and ones fate can be decided by a single misstep *The Day People* is an unfinished novel set in the near future where one woman forever changes the face of humanity and bold intentions end in devastating consequences *In Between* shares stories of the present seen through a looking glass where ordinary things have extraordinary qualities and the female obsession with handbags is revealed as a dark quest for power *Far Kingdoms* tells tales of other lands populated by mysterious insect like beings who imagine themselves to be human
