Sheltering His Desire Love Hack English Edition:

His Infatuation Allyson Lindt, 2024-05-09 Alyssia's animal shelter needs a boost of cash to expand its center for abused pets. When her older brother's best friend Tate offers her first access to his crowdfunding startup, she has a million reasons to say yes. And only one reason to say no: she's crushed on Tate forever, and he doesn't feel the same. As long as she remembers he's just eye candy, it'll be fine. She wants happily ever after, not just happy until the morning after. Tate's taking the family business to new places, adding a crowdfunding portal for small companies. He just has to ignore the fact the woman using one of his pilot sites isn't the bratty tag-along she used to be. Alyssia's grown up, filled out, and has a sexy mind on top of it all. Not that it matters. Tate never hooks up with clients, and he's certainly not going to pursue his buddy's sister. When Alyssia's shelter suffers from slanderous press, the backlash threatens both their businesses. They find stress relief in each other, and an unforgettable night of no strings passion. The fallout will destroy families, careers, and lifelong friendships if Tate and Alyssia can't admit how they really feel.

His Reputation Allyson Lindt, 2024-05-09 Scott McAllister's attitude is as much a part of his software empire's public image as its bestselling video games. There's no way he's letting his board of directors force him to behave just because someone might be watching. Then he meets his new publicity manager, Kenzie Carter. She is gorgeous, intelligent, and organized to a fault. Having her around is the perfect excuse to get down and dirty during business hours, show her the appeal of embracing chaos, and still claim he's complying with the board's edict. And as long as he doesn't fall for the woman who's supposed to make over his geeky exterior, he can pretend screwing around with her isn't a conflict of interest.
