The Story of the First Trans-continental Railroad William Francis Bailey, 1906 **Cheyenne Warriors, New Fort Kearny, and the Coming Plains Wars, 1856** Catherine Nealy Judd, 2025-01-08

In this book Catherine Nealy Judd demonstrates the profound significance of a U S military siege rashly launched from Fort Kearny against a small war party of Northern Cheyenne. This event occurred on the Platte River Road in August 1856 and triggered four Cheyenne reprisal counterattacks. Drawing on history anthropology geography cultural studies military records governmental archives diaries letters and other primary sources Judd scrutinizes a tumultuous moment in the pre railroad expansionist era presenting her readers with a tale of struggle between Indigenous Americans and an increasingly aggressive federal military stationed at the forts of the Plains. As Judd scrutinizes the causes conduct and consequences of this long neglected series of events her insights encourage us to reassess the trajectories of federal aggression and of an Indigenous response to that bellicosity. By placing the Cheyenne Nation at the center of the history of the Overland Trail this study offers a long overdue reinterpretation of the Platte River Road in the 1850s and beyond.

Brave Hearts
 Joseph Agonito, 2016-10-01. *Brave Hearts: Indian Women of the Plains* tells the story of Plains Indian women through a series of fascinating vignettes. They are a remarkable group of women: some famous, some obscure. Some were hunters, some were warriors, and in a rare case, one was a chief. Some lived extraordinary lives, while others lived more quietly in their lodges. Some were born into traditional families and knew their place in society, while others were bi-racial who struggled to find their place in a world conflicted between Indian and white. Some never knew anything but the old nomadic way of life, while others lived on to suffer through the reservation years. Others were born on the reservation but did their best in difficult times to keep to the old ways. Some never left the reservation, while others ventured out into the larger world. All in their own way, they were Plains Indian women.
