Shibumi English Edition:

Shibumi Trevanian,2005-05-10 A classic spy novel from the bestselling author Trevanian about a westerner raised in Japan who becomes one of the world's most accomplished assassins. Nikolai Hel is the world's most wanted man. Born in Shanghai during the chaos of World War I, he is the son of an aristocratic Russian mother and a mysterious German father and is the protégé of a Japanese Go master. Hel survived the destruction of Hiroshima to emerge as the world's most artful lover and its most accomplished and well-paid assassin. Hel is a genius, a mystic, and a master of language and culture, and his secret is his determination to attain a rare kind of personal excellence, a state of effortless perfection known only as *shibumi*. Now living in an isolated mountain fortress with his exquisite mistress, Hel is unwillingly drawn back into the life he'd tried to leave behind when a beautiful young stranger arrives at his door seeking help and refuge. It soon becomes clear that Hel is being tracked by his most sinister enemy, a supermonolith of international espionage known only as the Mother Company. The battle lines are drawn: ruthless power and corruption on one side and on the other, *shibumi*. **We Japanese**

De_Garis,2013-09-05 *We Japanese* is a collection of answers to questions that the author, as a hotel manager in Japan, has answered for hotel guests over the years. He was the manager for over 28 years at the Fujiya Hotel at Miyanooshita. These are naturally questions concerning those things which are different in Japan from the countries from which the visitors come. First published in 2006, Routledge is an imprint of Taylor & Francis, an informal company. **Enjoyment** John Kekes,2008-08-14 John Kekes examines the indispensable role enjoyment plays in a good life. The key to it is developing a style of life that combines an attitude and a manner of living and acting that jointly express one's deepest concerns. Kekes reorients moral thought toward a reasonable but pluralistic reflection on what we can do to make our lives better. An English-Japanese

Dictionary of the Spoken Language Ernest Miles Hobart-Hampden, Sir Harold George Parlett,1904 The Shibumi Strategy Matthew E. May,2010-10-12 Gold Medal Winner Business Fable 2012 Axiom Business Book Awards. A personal leadership fable on applying principles of Zen to work-life choices. *The Shibumi Strategy* is a little book about a big breakthrough. It tells the story of a hardworking family man who finds himself in crisis when his company closes. Through his struggle and guidance from unlikely sources, he learns subtle lessons in the form of personal Zen principles, coming to understand that it is often the involuntary challenge, the setbacks that harbor the power to transform. When approached as an opportunity, no easy task when simple survival is the first order of business, unforeseen trials can sometimes result in an altogether new lease on life. Shows how personal leadership can lead to real and not always easy breakthroughs. Includes key lessons on commitment, preparation, struggle, breakthrough, and transformation. Is based on *Shibumi*, a Japanese word without literal definition that describes the height of personal excellence, elegant performance, and effortless effectiveness. For those struggling with personal breakthroughs, *The Shibumi Strategy* offers a new way to face work and life challenges for balanced solutions.
