Flirting with Faith Joan Ball,2010-05-11 As a thirty seven year old highly skeptical deeply rational woman Joan had it all loving family extravagant home a high profile career even personal contentment So Joan was more surprised than anyone when she was relieved in an instant from the luxury of spiritual doubt and compelled to realign her life around practices of faith about which she was a novice With an unexplainable desire to pursue whatever God had for her at whatever cost was called for Joan left her high salary profession sold her home and all her furniture with her husband s support and started life from a blank slate Finally realizing that she had been flirting with faith since she was a young teen Joan fell in love with the God who had been pursuing her Joan candidly shares the story of her radical life change as she moved from atheist to agnostic in addiction recovery to the unexpected moment when she was struck Christian As Joan lets go of control and convention her skepticism is gradually replaced with a realization that embracing her new faith with radical abandon led to a far more mysterious and countercultural lifestyle than she d ever imagined **Cumulative List of Organizations**
