**The Alpha's Elusive Secretary 1** Itiramisyu,2024-09-11 Semi has been the secretary of the Ashyx wolf pack s alpha since his enthronement 3 years ago She tells the alpha everything about her except for one thing The fact that she is a natural born omega puts her at the worst disadvantage especially since the alpha of the Ashyx wolf pack do not offer mercy for omegas The mere existence of omegas disgust their alpha something Semi has been aware since the beginning No matter how much she hides it the truth will always be revealed When the truth comes to the surface she should be greeted with endless pain But when the alpha falls head over heels with Semi the story

seems different Chapter 1 The alpha is losing too much blood I hear somebody shout in the midst of chaos Everything s starting to get blurry as I smell the alpha s pheromones being released so intensely I grasp unto my chest and take out my hormone inducing pill something my mother gave since I started my job as the alpha s secretary mir I hear a faint shout from the alpha as I swallow three pills My hands were shaking and the chaos around only made it worse Semir he called out again and I frowned I told him my name was Semi I ran to him and the people around made way for me to get near the alpha Alpha what s wrong I panted as I sat beside him He frowned at me Are you really asking me what s he couldn t finish his words as I fathom he d have tremendous pain from the knife now stuck on his side Pull this out he told me and I shook my head Alpha that s going to make it worse you can bleed to death I reminded him and he just scoffed at me I m a werewolf for fuck s sake Semir I hesitated a bit before grabbing the knife I rip out a piece of cloth from my pants and put it in his mouth You insolent I shushed him before he could nag at me If you don t bite unto something you can end up biting your own tongue He went silent for a moment and I purposely took out the knife when he was least expecting it Agh he shouted as he squirmed in pain I placed my hands on his wound and put pressure on it Alpha please I pleaded as I knew if he were ever to die I would too The blood isn t stopping Call for help I shouted as I felt helpless in that moment The alpha frowned and with all the strength left in him shouted Don t you dare We were intimidated by the domineering shout coming from our alpha B but alpha you re gonna die at this rate I protested and he just continued being stubborn If we don t get help we re gonna need to have an omega provide you with pheromones I suggested and he shook his head Alpha your situation is dire please the alpha s right hand man Ruer pleaded At that moment I realize the dangers this could have The alpha is newly appointed and has yet to bear an heir All the previous relatives of the alpha has been subjugated by the wolf pack we are currently waging war against The world has changed humans are extinct and new species are emerging We are born as wolves but at the age of 3 we start learning about shifting We need energy to shift and the energy within us is called mana Alphas are born with enormous amounts of mana and can basically shift whenever they want to while omegas on the other hand has minimal amount of mana However there are also hierarchies to them and our alpha is one of the rarest dominant alpha you can ever find There are also betas they don t produce pheromones they are basically alike to a human but are born as werewolves and can shift What could be the saving glory for the alpha right now is to take in pheromones from his fated omega for faster recovery However he can also take in a random omega s pheromones The big problem here is that the alpha hates omegas
