Wolf Born Ann Gimpel, 2016-04-26 Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins blurs and finally shatters Futuristic Shifter Paranormal Romance Author's Note Wolf Born is book two in the Underground Heat Trilogy All three novels are full length shifter romances with happy ever after endings You can buy the books individually or in the boxed set titled Underground Heat Max leads a double life in a

futuristic California that's almost out of resources. Despite grave risks, he ran for state governor to protect his people. He's also leader of the shifter underground. Threatened with genocide, many shifters have gone into hiding. Some blame Max and the underground for their plight rather than the governmental edict that's meant death for so many. Audrey works for Max. Unlike most humans with low levels of shifter blood, who bless their lucky stars they avoided the purge, she wants to be a shifter. If she could find a way to finesse it, she'd quit her job in a heartbeat and go to work helping the shifter underground. The only sticking point is Max. She's been half in love with him forever. Against a dog-eat-dog political backdrop where no one knows who their allies are, Max and Audrey spar with one another. Max fears she's part of the group trying to kill him. Audrey has no idea about Max's double identity and worries she won't be able to walk away from their fiery attraction to help the underground. After a second attempt on his life, Max faces critical choices: Will he follow his head or his heart?

PRAISE FOR THE UNDERGROUND HEAT SERIES

What a great read! This one combines two of my fav things: sci-fi and shifters. Oh, and loads of steamy action. Goodreads review: Ann Gimpel does it again, another fantastic shifter book. I loved the futuristic spin on the shifter tale; it's the first I've read of its kind. The characters were loveable, the story engaging. Romance Readers Retreat: Ann Gimpel is frickin' awesome. I cannot explain how much I loved this book; the way she writes is so expressive, imaginative, and real. Goodreads Review: Excellent start to a new series by Author Ann Gimpel. I love her take on shifters and a futuristic California. The story is easily followed yet rich and complex.
