Aftermath C. Edward Sutton,2015-04-29 In 2010 a nuclear bomb was detonated in front of the Capital building in Washington D C during the State of the Union address The ensuing global conflict and resulting domestic chaos lead to the collapse of our modern utilities and communications infrastructure Aftermath chronicles the journey of two men as they make their way home to suburban North Atlanta from the conflict zone surrounding Savannah and the decisions they have to make in order to adapt and survive in an increasingly unpredictable and brutally dangerous world *The Final Warning* George Newberry,2016-12-31 The Final Warning is a psychological thriller based on a documented true story Many of the unexplainable supernatural events that occur in this story are based on actual events confirmed by court records and the legal depositions of witnesses Father Tony DiMarco an expert at deciphering ancient scrolls was transferred from his parish in Los Angeles to a secret chamber deep in the bowels of The Vatican He discovered messages hidden in ancient scrolls They revealed the devil had challenged God He claimed that with more power over the world he could win more souls than God
