Shooting Saddam A Memoir:

Shooting Saddam Dennis Lynch, 2014-11-30 SHOOTING SADDAM is a behind the scenes narrative of the televised coverage of Saddam Hussein's trial and conviction. The trial serves as a backdrop for the tale of Court TV cameraman on an amusing and enlightening journey at the peak of Baghdad's civil unrest. As a videographer, Dennis tells a story through the camera lens, but now in *Shooting Saddam* he displays a remarkable talent for storytelling through words. Lynch strikes a proper balance between self-deprecating humor and the somber portrayal of a terrifying subject: the trial and death verdict of a tyrant. Beth Karas, legal analyst, former Court TV correspondent, Dennis is the consummate storyteller with a keen eye for details and color that brings the tales he tells to life. An uncanny ability to bring the reader or viewer along on the journey into the stories that have become and will become the history of our time. Brian Skoloff, journalist, author *Killer Girlfriend*. The Jodi Arias Story. *Shooting Saddam* is a courtroom drama like none else you have ever or will ever likely read. James F. Kyle, Senior Producer, Al Jazeera America. It's Lynch's eye for the absurd detail that makes this Green Zone tale so worthwhile. Lisa Sweetingham, author of *Chemical Cowboys*.

The Bird and The Fish: Memoir of a Temporary Marriage Miriam Valmont, 2016-07-25 Afshin, a captivating Iranian graduate student, rents a room in Miriam Valmont's home. Landlady and tenant share an immediate and fast-growing attraction despite the fact that Miriam is twice Afshin's age. When Afshin proposes a temporary Islamic marriage, Miriam readily agrees, driven by desire and curiosity. What shocks her though is the role Afshin invites her to play at the end of the marriage so that he, as a Muslim, can continue to express affection. *The Bird and the Fish* is the story of two people with radically different lives who find a way to honor a passionate love. **The Memoirs of an Immigrant** Joseph Molitorisz, 2001-10 Seventy years. A lifetime beginning in a tranquil Hungarian village growing in a tragic time of political and ideological turmoil, the horrors of the Second World War, the humiliation of imprisonment in an American POW camp, the tyranny of Bolshevism, the crushing defeat of the 1956 Hungarian Revolution. This is a captivating account of the nightmarish side of the 20th Century. Then joining the tens of thousands of other refugees, the author's search for a better life begins. Destination America, the land of freedom. But life in the adopted homeland is marked by struggle and dogged determination to make good on a dream. The author unflinchingly chronicles the immigrant experience. This book is for readers who have the strong urge to look beyond the surface of what has been purported to be the 20th Century. This is not a writing of history. It is rather the writing of a life through which history reveals itself to those who have a receptive critical mind and an open, compassionate heart. **Memoirs of a Soldier and an Ambassador for Christ**

Lloyd C. Glover, 2023-07-17 This is a marvelous book that explores the life story of Lloyd C. Glover, a soldier and a representative for Christ. This book looks back at the beginning of his relationship with God and the history of his life and how his childhood growing up in a small town in New Jersey was affected by the events of the Viet Nam War and how his belief in Christ was strengthened by his assignment as a Christian soldier in the Gulf War while serving in the defense of the

Nation of Israel as part of Joint Task Force Patriot Missiles that shot down Saddam Hussein's dreaded Iraqi Scud missiles aimed at the children of Father Abraham and a year later while serving in the defense of the Kingdom of Saudi Arabia. Come see how God blessed him by turning the Gulf War into a learning environment that allowed Sergeant Glover the opportunity to serve as a soldier and a representative for Christ in the Holy Land and to see for himself what it was like visiting and seeing up close the many historical sites in Israel like Capernaum, the Sea of Galilee, Haifa, Tel Aviv, and Jerusalem. The Bible does say that God told Father Abraham, "I will bless those that bless you." Amen. Lloyd Glover is also a Pastor and Founder of two International Christian websites and an Online Bible training center. Journey with him as he discusses his life after retiring from the United States Army and his Bible college days at World Harvest Bible College and how his personal relationship with God had anointed him to do the work of the ministry. The purpose of his book is to be a learning tool and a reminder to believers about Jesus' commandment about the Great Commission and to also challenge everyone to see where they fit in as an ambassador and a representative for our Savior. Amen.

"I Will Shoot Them from My Loving Heart" Won Moo Hurh, 2011-11-16. In the spring of 1950, 17-year-old South Korean high school senior Won Moo Hurh dreamed of studying law at Seoul National University after graduation. His life changed irrevocably on June 25 when North Korean forces invaded his homeland. After less than three months of training, Hurh was commissioned as a second lieutenant in the Army of the Republic of Korea and sent to the front where the casualty rate for such junior officers could reach 60 percent. In this exceptionally well-written memoir, Hurh provides not only a descriptive chronicle of his wartime exploits but also a social and psychological exploration of the absurdity of war in general. Hurh's vivid remembrances bring to life the forgotten Korean War from the viewpoint of a Korean officer, a perspective rarely available in English until now.

Shoot an Iraqi Wafaa Bilal, 2013-08-06. Wafaa Bilal's childhood in Iraq was defined by the horrific rule of Saddam Hussein: two wars, a bloody uprising, and time spent interned in chaotic refugee camps in Kuwait and Saudi Arabia. Bilal eventually made it to the United States to become a professor and a successful artist, but when his brother was killed by an unmanned U.S. Predator drone, he decided to use his art to confront those in the comfort zone with the realities of life in a conflict zone. His response was *Domestic Tension*, an unsettling interactive performance piece for one month. Bilal lived alone in a prison cell-sized room in the line of fire of a remote-controlled paintball gun and a camera that connected him to Internet viewers around the world. Visitors to the gallery and a virtual audience that grew by the thousands could shoot at him twenty-four hours a day. The project received overwhelming worldwide attention and spawned provocative online debates. Ultimately, Bilal was named Chicago Tribune's Artist of the Year. Structured in two parallel narratives, the story of Bilal's life journey and his *Domestic Tension* experience, *Shoot an Iraqi* is for anyone who seeks insight into the current conflict in Iraq and for those fascinated by interactive art technologies and the ever-expanding world of online gaming. Iraqi-born artist Wafaa Bilal has exhibited his art worldwide and traveled and lectured extensively to inform audiences of the situation of the Iraqi people and the importance

of peaceful conflict resolution Bilal's 2007 dynamic installation *Domestic Tension* gained global recognition being named Artist of the Year by the Chicago Tribune Bilal has held exhibitions in Baghdad the Netherlands Thailand and Croatia as well as at the Museum of Contemporary Photography in Chicago the Milwaukee Art Museum and various other US galleries His residencies have included Montalvo Arts Center in Saratoga California Catwalk in New New York and Rensselaer Polytechnic Institute

Mounting Evidence Paul W. Rea, 2011-08-22 In one volume *Mounting Evidence* provides the most important evidence accumulated over many years that calls into question the governments account of 9 11 Any citizen of conscience reading it will demand a new investigation Mike Gravel United States Senate 1969 1981 There's little doubt the tragic attacks on 9 11 soon became the defining events of our time shaping much of what has followed But even now over a decade later how well does the public actually understand them Other researchers have written about key facets of 9 11 the fall of World Trade Center buildings the air defense failures the backgrounds of the hijackers or the role of the Saudi funders This impressively researched volume however is the first comprehensive treatment of the many different angles It connects the dots to reveal disturbing patterns Years after many of us thought the Crime of the Century was solved case closed additional evidence demands a closer look These findings which Dr Rea presents in a lively accessible way call out for a new investigation In *Mounting Evidence* Dr Rea shows how by understanding the shattering events of that dark day Americans can end seemingly endless wars take back personal liberties they've lost and restore their democracy

See It/shoot it Christopher J. Fuller, 2017-01-01 An illuminating study tracing the evolution of drone technology and counterterrorism policy from the Reagan to the Obama administrations This eye opening study uncovers the history of the most important instrument of U S counterterrorism today the armed drone It reveals that contrary to popular belief the CIA's covert drone program is not a product of 9 11 Rather it is the result of U S counterterrorism practices extending back to an influential group of policy makers in the Reagan administration Tracing the evolution of counterterrorism policy and drone technology from the fallout of Iran Contra and the CIA's Eagle Program prototype in the mid 1980s to the emergence of al Qaeda Fuller shows how George W Bush and Obama built upon or discarded strategies from the Reagan and Clinton eras as they responded to changes in the partisan environment the perceived level of threat and technological advances Examining a range of counterterrorism strategies he reveals why the CIA's drones became the United States preferred tool for pursuing the decades old goal of preemptively targeting anti American terrorists around the world

Shooting the Messenger Paul Moorcraft, 2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the

heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession

American Exceptionalism and the Legacy of Vietnam Trevor McCrisken, 2003-12-19 American Exceptionalism and the Legacy of Vietnam examines the influence of the belief in American exceptionalism on the history of U S foreign policy since the Vietnam War Trevor B McCrisken analyzes attempts by each post Vietnam U S administration to revive the popular belief in exceptionalism both rhetorically and by pursuing foreign policy supposedly grounded in traditional American principles He argues that exceptionalism consistently provided the framework for foreign policy discourse but that the conduct of foreign affairs was limited by the Vietnam syndrome

War in Ernest Hemingway's For Whom the Bell Tolls Gary Wiener, 2013-01-24 Ernest Hemingway's depiction of war in his novel For Whom the Bell Tolls is one without clear ideological or moral imperatives The story wrestles with themes of wartime and violence as readers follow Robert Jordan an American teacher who volunteers to lead an ill disciplined band of guerrillas during the Spanish Civil War This illuminating volume explores themes surrounding war as they relate to Hemingway's For Whom the Bell Tolls A series of essays focus on topics such as the distinction between a war novel and a propaganda novel about war the war against civilians in Spain and civil wars being waged in the Middle East today

Forty Years War Len Colodny, Tom Shachtman, 2016-07-11 This groundbreaking book chronicles the little understood evolution of the neoconservative movement from its birth as a rogue insurgency in the Nixon White House through its ascent to full and controversial control of America's foreign policy in the Bush years In eye opening detail The Forty Years War documents the neocons four decade campaign to seize the reins of American foreign policy the undermining of Richard Nixon's outreach to the Communist bloc nations the success at halting détente during the Ford and Carter years the uneasy but effectual alliance with Ronald Reagan and the determined and ultimately successful campaign to overthrow Saddam Hussein no matter the cost Drawing upon recently declassified documents hundreds of hours of interviews and long obscured White House tapes The Forty Years War delves into the political and intellectual development of some of the most fascinating political figures of the last four decades It describes the complex three way relationship of Richard Nixon Henry Kissinger and Alexander Haig and unravels the actions of Donald Rumsfeld Dick Cheney and Paul Wolfowitz over the course of seven presidencies And it reveals the role of the mysterious Pentagon official Fritz Kraemer a monocle wearing German expatriate whose unshakable faith in military power distrust of diplomacy moralistic faith in American goodness and warnings against provocative weakness made him the hidden geopolitical godfather of the neocon movement The authors insights into Kraemer's influence on the neocons will change the public understanding of the conduct of government in our time
