Dark Congress Christopher Golden, 2007-08-28 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future. This centennial event was called the Dark Congress. In the second century B.C. however the Dark Congress failed to resolve their conflicts. Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now. And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank. But now Kandida is free and for the first time in centuries the Dark Congress is being called again. All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island. Some gather in hopes of resolution, some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree. And so the demons gather under a banner of a truce. But the demons still harbor many bitter disagreements with one another. The Congress must have an arbiter of these conflicts and that someone is Buffy Summers. Buffy is horrified and disgusted to be included. After all she is not a demon, is she? She knows so little about her powers that she cannot say for certain where they truly spring from. How can she spend so much time wallowing in the darkness without becoming part of it? Can she possibly agree to a truce with all the horrors of the world and allow them to come to Providence without any attempt to stop them? And does she have a choice?

One Thing or Your Mother Kirsten Beyer, 2008-01-01 It's tough being a teenage Slayer. On the verge of failing her junior year thanks to annoying Principal Snyder who seems to be acting even stranger than usual lately Buffy agrees to meet with a tutor. Not helping her studies is the fact that lately she's been exhausted waking up each morning feeling more tired than she did the night before. To make matters even worse she's tasked with investigating the disappearance of a child, a little girl who happens to have gone missing mere hours before a child vampire surfaced in Sunnydale accompanied by a wheelchair bound male who fits Spike's description perfectly. Fighting off exhaustion and uneasy at the prospect of staking a child vamp Buffy learns that Principal Snyder is the target of a sleep deprivation spell that has taken over Sunnydale. Putting aside her fear that her tutor is out to get her and hoping that the sleeping spell is affecting both humans and demons Buffy investigates Snyder's odd behavior. She follows him to his childhood home to

discover that he has arranged to have his abusive mother banished to the demon dimension Meanwhile Drusilla who has been playing mother figure to the child vampire is learning how difficult it is to be a parent As sleep takes hold of the citizens of Sunnydale Buffy begins to realize that unless she breaks the spell soon the nightmare is just beginning **The Guadel Chronicles Books 1 - 4** Dean Murray,2015-05-11 In a world full of magic and treachery Va del and Jain will hold the fate of their people in their hands The invitation to join the secretive Guadel should have been the fulfillment of dreams Va del didn't even realize he had When his sponsors are killed in an ambush a short time later he instead finds his probationary status revoked and becomes a pawn between various factions inside the Guadel ruling body Jain's never known any life but that of a Guadel in training She'd thought herself reconciled to the idea of a loveless marriage for the good of her people but meeting Va del changes everything Their growing attraction flies against hundreds of years of precedent but as wide spread attacks threaten their world the Guadel have no choice but to use even Jain and Va del in their fight for survival Publisher's Note The Guadel Chronicles is a YA Epic Fantasy Series which is written so that it can be safely enjoyed by teens and adults alike The Guadel Chronicles All the scope of an epic fantasy combined with the action of a sword and sorcery book Keywords Young Adult Epic Fantasy YA **Topic Bible Studies Addressing Everyday Problems and Questions - Series 2** Dennis G.
