characters are 18 or older Bosswomen contains three Femdom BDSM themed stories of intense eroticism dominance and submission discipline spanking and humiliation in all forms Over Her Knee Jason s young and beautiful boss Joanna Roth has always taken a special interest in him ever since he first came to work for her at the age of sixteen After Jason loses the order form of a very important client she punishes him as she often has before with a sound spanking But on this occasion he settles onto Joanna s lap to take the punishment under her strict hands only to find his long secret feelings for her pushed out into the open by the unmistakable throes of orgasm When questioned Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants No Match for the Businesswoman For years Clay Phillips has been working nights and weekends to get his start up off the ground but when long overdue success begins to turn heads it attracts the attentions of heavy hitters that Clay is not prepared to contend with Such a one is Christine Rivers beautiful CEO of the Rosemont Group who has come to meet with Clay personally about the prospect of a buyout What begins as a bit of simple maneuver and professional strong arming soon becomes much more as the seductive and forceful businesswoman turns to more elaborate means of bringing Clay around to her point of view Threats physical dominance and sexual manipulation will all come into play before she has gotten her way and left Clay bruised and gasping on his office desk hungry for more Called to Her Office Chris has never been outgoing around his coworkers but it isn t until a new boss arrives to run the branch that he begins to regret his isolation in the work place For weeks he silently hungers for Ms Reese s attention until he is called in for a performance review Once the two are alone together it isn t long before all sorts of things are coming out into the open Not least among these revelations Veronica Reese has been painfully aware of Chris s desire for her attention and she intends to punish him for the inappropriate means he has employed to distract her from her professional duties Excerpt She produced another folded sheet of paper and laid it in front of me First you sign this contract finalizing the sale for the amount I ve offered you It will make you a very rich man I managed to shake my head This is all happening too fast Too fast she repeated I thought I had been very generous with my time I have given you months to withdraw from my markets I can t I stammered She nodded as though deciding something for herself Do you know what it is like when a little startup like yours wanders in and starts trying to underbid companies like mine It is like a child that insists on sitting at the grown ups table The child refuses to acknowledge objective reality It only understands one thing She pushed the stacks of paper which remained in the center of my desk off to the side One of them wobbled tipped and cascaded to the floor but she did not notice The only thing they understand Clay is a firm hand She was standing over me now and I had shrunk back into the chair Her sultry inviting manner had been replaced by the tone of utter authority I can make you regret your stubbornness in any number of ways I can underbid every contract you receive headhunt every name you hire and grind your company into the dirt until every last investor you have is serving you papers Is that what you want I stared up at her

mute Stand up she said I stayed frozen in place Stand up she repeated You call yourself the owner of this company You can't even stand and look me in the eye in your own office You have to cower in your chair Shakily I complied No sooner was I standing than she had put her hand to the small of my back pushing me over and pinning me down upon my desk I'm going to do something much less permanent than all of that she said There was not so much as a single note of strain in her voice as she held me completely helpless against the smooth oak of my desk Because I'm beginning to like you because in a certain way I can admire stubbornness I'm going to teach you very simply and here in private just how out of your depth you are I tried to say something but her hand against my back was compressing my chest against the desk too forcefully to draw full breath Instead all that emerged was a whimper

Short description Claudia knows exactly what she wants the love and total submission of Thomas under her authority Voluntarily but then with all consequences Thomas is certain Claudia has an overwhelming attraction to him and a FemDom relationship would be fascinating If only it wasn't all about 24/7 from the start The decision is not easy for Thomas because he is unable to predict the effects of such a relationship on the long run Sensitively but very strictly Claudia leads him from the very start on his way to becoming an attentive passionate and submissive partner For this she goes all out being an experienced FemDom The carrot and the stick tease and denial and keeping him chaste are but a few of the means she is using While the time of probation was all about breaking free Thomas latent wants and he learned a basic obedience towards his Mistress the second volume is all about building a real D/s relationship The way for Thomas is hard but the goal is a fulfilling partnership marked by deep feelings between a dominant woman and a submissive man As already in the first volume the author draws on his own experiences and describes authentically what life in a D/s relationship is like In the attachment you can find a real slave contract a tested set of rules and a glossary of the specific terminology used in the text The described effects of being kept chaste are based on an original diary by the author For interested couples they may serve as an instruction For dominant women they almost offer a catalogue of ideas and in addition an insight in the emotional life of a slave The cycle In dominant love offers an insight into the life of couples where women dominate with their erotic force and their huge confidence FemDom Female dominance is the key word which connects a community of acquainted couples Each volume is telling a stand alone self contained story in the field of female dominance Contents D/s FemDom love bondage fixation humiliation cane pegs plug chastity dominance sadism SM power obedience slave Mistress tease denial cage high heels licking mask BDSM eroticism erotica discipline test admission into FemDom club Number of print pages 257 Number of words 67 056

Domination and Submission Lifestyle Allen Graih, 2010-06-14 Domination and Submission The very words access our emotions creating discomfort yet curiosity The lifestyle Domina the submissive slave In a true Dom sub lifestyle the relationship is not as insidious as this would seem Domination is about leadership respect and being a leader rather than a bully or a boss Submission is more about supporting that roll than succumbing to the wishes of the Dominant BDSM plays a roll only when both parties are ready for it but it does not have to be a part of a Dom sub lifestyle For those of us that enjoy this aspect this book has pointers safe words and tips on attitudes that both Dom and sub need to respect from one another Notice the words play and roll Domination and submission is a roll playing lifestyle This expanded edition has clearly numbered pages a brief history of BDSM and a full Glossary
