**Pushing Back** John Kinsella, 2021-02-01 The tall trees nearby called them up and red tailed black cockatoos carried messages to them that they told no one else about *Pushing Back* is John Kinsella s most haunting and timely fiction to date It is populated with eccentric compelling characters drifters unlikely friendships the silences of dissolving relationships haunted dwellings and lonely highways the ghosts of cleared bushland and the threats of right wing nationalists and senseless destruction A couple make love in an abandoned asbestos house a desperate carpet cleaner beholden to the gig economy begs a financially distressed client not to cancel his booking an addict cannot bear to see his partner without the watch he once gave her a mother casts her shearer son s ashes on the property on which he worked fascists pile into a little red car with the intent of terrorising tourists on the Nullarbor a man more at home with machinery than people rescues a drowning kitten Yet throughout this assured distillation of contemporary Australian life empathy rises like the red tailed

The Last Painting of Sara de Vos Dominic Smith, 2016-04-05 Written in prose so clear that we absorb its images as if by mind meld The Last Painting is gorgeous storytelling wry playful and utterly alive with an almost tactile awareness of the emotional contours of the human heart Vividly detailed acutely sensitive to stratifications of gender and class it s fiction that keeps you up at night first because you re barreling through the book then because you ve slowed your pace to a crawl savoring the suspense Boston Globe A New York Times Bestseller A New York Times Book Review Editor s Choice A RARE SEVENTEENTH CENTURY PAINTING LINKS THREE LIVES ON THREE CONTINENTS OVER THREE CENTURIES IN THE LAST PAINTING OF SARA DE VOS AN EXHILARATING NEW NOVEL FROM DOMINIC SMITH Amsterdam 1631 Sara de Vos becomes the first woman to be admitted as a master painter to the city s Guild of St Luke Though women do not paint landscapes they are generally restricted to indoor subjects a wintry outdoor scene haunts Sara She cannot shake the image of a young girl from a nearby village standing alone beside a silver

birch at dusk staring out at a group of skaters on the frozen river below Defying the expectations of her time she decides to paint it New York City 1957 The only known surviving work of Sara de Vos *At the Edge of a Wood* hangs in the bedroom of a wealthy Manhattan lawyer Marty de Groot a descendant of the original owner It is a beautiful but comfortless landscape The lawyer's marriage is prominent but comfortless too When a struggling art history grad student Ellie Shipley agrees to forge the painting for a dubious art dealer she finds herself entangled with its owner in ways no one could predict Sydney 2000 Now a celebrated art historian and curator Ellie Shipley is mounting an exhibition in her field of specialization female painters of the Dutch Golden Age When it becomes apparent that both the original *At the Edge of a Wood* and her forgery are en route to her museum the life she has carefully constructed threatens to unravel entirely and irrevocably *The Tether* Ezra S. **Salt Mines** Allyn C. Ryan, 2001-12-12 The success of the Apollo program in the 1960s was the first step in our manned attempts at conquering space *Salt Mines* revisits aerospace history that never was and explores the plausibility of interplanetary space travel the confrontations between management and the union and the effects of downsizing on the sudden emergence of violence in the workplace Colorful characters who work in the salt mines add threads of complexity laughter and pathos to the story There is Chuck Gibson an avowed union man who likes nothing better than to hear Minerva Aerospace Corporation MAC's top executives get a roasting And yes the prima donna of Mahogany Row Dr Rick Davis although rather eccentric is someone to be reckoned with Then there is Jiggs Tanaka the Hermes coordinator who never gets the respect he deserves from his subordinates despite his prudence and sensitivity to people issues On the other hand Andy Stahl the demoted Orion coordinator who drives around naked in a van is uproariously funny mouthing cryptic utterances from Tennyson's *Morte d'Arthur* and Shakespeare's *The Merchant of Venice* Not to be forgotten is Will Hardy the super dipper whose speech *Uncle Sam's Cabin* has made him the darling of Wall Street And of course Nina Hill the only woman technical writer Her penchant for enticing top corporate executives precipitates a murder Finally there is Derek Lambert the protagonist Most of the story unfolds from Derek's point of view in an episodic narrative of events that reflect the intriguing and dynamic world of the aerospace industry at its height in the 1980s Intertwined with the events is Derek Lambert's recurring nightmare of a past he wants desperately to forget Although he dearly loves his wife Jenny DuBois he can't bring himself to forgive her for walking out on him during their honeymoon In the pressure laden environment at MAC Derek manages to remain neutral in the day to day conflicts between management and the employees although his life is inextricably committed to the Hermes program The Hermes is to be the first manned space capsule to go on a grand tour of the solar system in 1982 This tour coincides with the alignment of the planets a heavenly phenomenon occurring only once in 179 years Working at the salt mines might have been a perfect haven for Derek had it not been for the visit of his mother Since his emotional and psychological problems stem from a strong attachment to his mother her arrival rekindles the old guilt feelings that have dogged him for years As if by coincidence everything takes a downturn at the salt mines In a period of

five months MAC totters on the brink of financial collapse Lawsuits Intrigues Tension related deaths Strikes Layoffs Murder The effect is devastating To escape being drawn into the morass of the salt mines syndrome Derek turns to Cindy Li a beautiful Chinese stewardess Derek resists the idea of a relationship at first but Cindy will do anything to achieve her goal As these societal corporate and personal problems compound the episodic pace accelerates into a suspenseful thriller that is resolved in the novel s final shocking developments The Glory of Clementina Wing William John Locke,2023-05-09
