Introductory Concepts and Techniques
Premium Video Edition

A black and white photograph of three people, two young men and one young woman, sitting at a computer workstation. They are all smiling and looking towards the left side of the frame, presumably at a computer screen. The woman is in the foreground, with her hand on a mouse. The two young men are behind her, also smiling. The background is slightly blurred, showing what appears to be a classroom or office setting with other computer monitors.
