The Regional Travel Guide for Shikoku (Japan) , [Shikoku Island Travel Guide, Japan](#) Roman Reynolds,2019-12-04 Shikoku Island Travel Guide Japan Discover Hidden Tourist Destination It has beautiful scenery a laidback atmosphere friendly people and several notable sights yet SHIKOKU Japan s fourth main island is usually at the bottom of most visitors itineraries if it appears at all This is a shame since this tranquil island nestling in the crook between Honsh and Ky sh offers elements of traditional Japan that are often hard to find elsewhere An ancient Buddhist pilgrimage original castles and distinctive arts and crafts are some of Shikoku s attractions but equally appealing are the island s rural pace of life and little visited villages and smaller surrounding islands Set aside a week or so to get around all Shikoku s four prefectures If you only have a day or two though head straight for Matsuyama s splendid castle and the hot springs at nearby D go or pay a visit to the landscape gardens of Ritsurin k en in Takamatsu before hopping on a ferry over to the idyllic contemporary art filled island of Naoshima According to legend Shikoku was the second island after Awaji shima born to Izanagi and Izanami the gods who are considered to be Japan s parents Its ancient name was Iyo no futana and it was divided into four main prefectures Awa now Tokushima ken Iyo Ehime ken Sanuki Kagawa ken and Tosa K chi ken These epithets are still used today when referring to the different prefectures cuisines and traditional arts Apart from being the scene of a decisive battle between the Taira and Minamoto clans in the twelfth century see The Kamakura era Shikoku has had a relatively peaceful history due in part to its isolation from the rest of Japan The physical separation ended with the opening of the Seto hashi in 1989 a series of six bridges that leapfrog the islands of the Inland Sea carrying both trains and cars It has since been joined by the Akashi Kaiky hashi suspension bridge connecting Shikoku to Honsh via Awaji shima the island to the west of Tokushima and the Nishi Seto Expressway running along ten bridges spanning nine islands on Shikoku s northern coast Most of Shikoku s population of just over four million lives in one of the island s four prefectural capitals Takamatsu Tokushima K chi and Matsuyama The island is split by a vast mountain range that runs from Tsurugi san in the east to Ishizuchi san Shikoku s tallest peak in the west The northern coast facing the Inland Sea is heavily developed in contrast to

the predominantly rural south where the unimpeded kuroshio black current of the Pacific Ocean has carved a rugged coastline of sheer cliffs and outsized boulders The climate throughout the island is generally mild although the coasts can be lashed by typhoons and the mountains see snow in the winter Apart from the highlights listed other places to consider building into a trip to this part of Japan include the lovely Inland Sea island of Sh do shima the whirlpools at Naruto and Hiwasa where turtles come to lay their eggs each summer With more time you could hit Shikoku s southern coast for the dramatically rocky capes at Ashizuri and Muroto and explore the Shimantogawa one of Japan s most beautiful rivers In the prefectural capitals you ll find a wide range of hotels restaurants and bars as well as international centres and tourist information offices while the island s famous 88 temple pilgrimage means that even in the countryside you re unlikely to be stuck for accommodation

Shikoku Vacation Guide 2024 John C Hill,2023-10-14 Welcome to the comprehensive Shikoku travel guide your passport to exploring one of Japan s hidden gems This guide is meticulously crafted to offer you an in depth and authentic experience of Shikoku an island known for its rich culture stunning natural beauty and unique traditions

Shikoku Pilgrimage, Japan Roman Reynolds,2019-12-04 Shikoku Pilgrimage Japan Travel Guide This is a Buddhist pilgrimage around the circumference of the

Japanese island of Shikoku Of the several hundred thousand people who do it each year only a few thousand walk the vast majority travel in organized bus tours If you only walk to the main 88 temples the trail is about 1 100 km 670 mi If you also walk to the 20 bangai temples of secondary importance but still visited by some the distance increases to about 1 400 km 860 mi Visiting all 108 temples takes about 50 55 days Visiting only the main 88 temples takes about 40 45 days How long it takes for each henro pilgrim depends on their fitness level and their seeming need to hurry There are several legends related to the beginnings of the pilgrimage on Shikoku Island The most popular legend of course is that K kai walked to all of the sacred places on the island founded many of the temples and established the pilgrimage itself While we don t know everything about his early life we do know enough about what he did where he lived and where he traveled that it is fairly easy to refute this and say that it can t be true Documents do show that K kai did travel to several of the mountains where temples are currently located He did not however walk around the island or perform the first pilgrimage As will be described below those first pilgrims were the hijiri or wandering ascetics that came from Mt K ya to visit the religious centers on the island

A Complete Guide to Shikoku Beautiful World Escapes,2017-10-31 A Complete Guide to Shikoku provides you with all the information you need to plan your trip to Shikoku in Japan The smallest of the four principal islands that makes up Japan Shikoku consists of four prefectures Ehime Kagawa Kochi and Tokushima Dive into a fascinating journey through several thousand years of history as you plan your trip you will be enthralled with such sites as Chikurinji Temple in Kochi Prefecture Dogo Onsen in Ehime Prefecture Kotohira gu Shrine in Kagawa Prefecture and the Naruto Whirlpools in Ehime Prefecture Learn about lesser attractions such as Ochiai Village Kashiwajima Island Russian Soldiers Cemetery and Hoshigajyo Mountain A Complete Guide to Shikoku contains the following books in one complete boxset A Complete Guide to Ehime Prefecture A Complete Guide to Kagawa Prefecture A Complete Guide to Kochi Prefecture A Complete Guide to Tokushima Prefecture With a useful phrase guide A Complete Guide to Shikoku is the only guide you will need **Shikoku Japan 88 Route Guide** 〇〇〇〇,〇〇〇〇,2020-02 *Shikoku Japan Eitiei to Ruto Gaido* ,2024
