John J. Collins

Shine Like A Star Keys To A Life Of Victory:

Shine Like a Star Happy Riches,2015-01-17 Before you read this book you really need to read Happy Riches other books especially the Only Words Written By The Finger Of God This is an advanced book in many respects because it covers aspects of spiritual life that are not to be found elsewhere Beginning by demonstrating the reasons people have become blind and using Richard Dawkins and Cheryl Blair to demonstrate the superficiality of their thinking although many like to think they are heavyweights the reader is then taken through feast of spiritual thought that requires much deliberation Beginning with how overcomers are to be those who form the Bride of Christ when Lord Jesus returns to rule Earth you will be shown how the father of lies has through the ages attempted to thwart the plan of God and how he is attempting to do this today Your spiritual eyes will be opened to truths you have not seen even though they may have right before your very eyes You will come to understand the reason for knowledge but the greater importance of experiencing the relationship that God desire with all His subjects The power of the Pentecost is not overlooked and you will grasp a much greater appreciation of what this means for you today Religion is very much misunderstood today People see religion as just some belief system based on a few assumptions Reading this book you will come to understand the heart of true religion You will learn why you need to establish your own identity within God s Creation You will learn how the salvation record is tracked from Abraham down to the present day Christian Many misunderstandings and misconceptions will be cleared up as you learn the truth about the genealogical record and what it means for you You will learn what is required in working out your salvation and how you can bring forth the fruit that counts Most of all you will learn the reason why you need to testify and the power that is inherent within a testimony that comes from living a life of victory *A Christian Life From A Poet's View* Frederick

Nicholas,2019-12-17 This compilation of writings was carefully selected with other Christians in mind in the hope that it will inspire and encourage others As you read this book of poetry it will hopefully do the following Let you know you re not the only one who struggles sometimes while living this Christian life No matter how hard the road may seem God is there to always comfort and lead you Help you change your prospective on things while you re in one of life s storms **Seers,**
