**Girls in the Garden** *The Magic Garment* Rebecca Cunningham, 2019-10-22 Successful costume design requires a solid foundation in general artistic principles and specific knowledge of how to apply those principles. Cunningham presents readers with just such a foundation and develops it to expose beginning costume designers to the myriad skills they need to develop in order to costume successful stage productions. She begins at the most basic conceptual level, reading plays from a costume designer's perspective. She then follows through with the practical considerations that must be considered at every stage of the costuming process: research, development, sketching, and costume construction. Cunningham has built on the long-standing success of the outstanding first edition with new figures and updates throughout the text, including 24 pages in full color. Examples have been selected from a wide range of stage productions representing a variety of designers' styles and approaches. Interviews with award-winning designers from stage, film, and other media show the practical importance of the book's concepts. Every chapter incorporates material reflecting the ever-increasing impact of technology, especially computers, on costuming. New to this edition is an ancillary download package available here, giving students a selection of basic figure drawings to serve as the base layer for digital renderings, ready-made forms and checklists for assembling and organizing costumes for shows, and a list of research and reference websites with easily clickable links.

**Making Trousers for Men & Women** David Page Coffin, 2011-01-04 Comfortable, flattering pants can be challenging to make, but they're wonderful to wear. In this book, David Coffin provides his inventive, sure-fire methods for getting it right. With his characteristic precision and straight talk, and with the help of photographs, drawings, and exclusive access to a series of online video sequences, Coffin teaches the reader how to get great results, whether making a showcase garment or just whipping out an everyday pair.
