**50 greatest books ever** Davies Guttman,2014-05-06 I will start by saying there is no such thing as the best 50 books ever Pick a hundred people and inevitably you will get a hundred different lists quite possibly very different indeed depending on the age nationality situation and culture of the people Equally I am not setting myself up as the arbiter of good taste and judgement in this matter I have used a number of existing sources various polls and lists that feature across the media as well as personal knowledge and taste to inform the selection Whatever your taste or opinion there is no denying the power and continued relevance of a lot of these works Reading them will repay you with knowledge enjoyment insight and an enduring regard for the written word

**Motherless Creations** Wendy C. Nielsen,2022-05-30

This book explains the elimination of maternal characters in American British French and German literature before 1890 by examining motherless creations Pygmalion's statue Frankenstein's creature homunculi automata androids golems and steam men These beings typify what is now called artificial life living systems made through manufactured means Fantasies about creating life ex utero were built upon misconceptions about how life began sustaining pseudoscientific beliefs about the birthing body Physicians inventors and authors of literature imagined generating life without women to control the process of reproduction and generate perfect progeny Thus some speculative fiction before 1890 belongs to the literary genealogy of transhumanism the belief that technology will someday transform some humans into superior immortal beings Female motherless creations tend to operate as sexual companions Male ones often emerge as subaltern figures analogous to enslaved beings illustrating that reproductive rights inform readers sense of who counts as human in fictions of artificial life
