**Stumbling Backasswards Into the Light** Jay Norry, 2014-01-28 From dark yesterday to bright tomorrow When childhood is over and adulthood tries to take hold it all becomes too much for one overwhelmed young man He sets out to find a place to give up once and for all to lay his body down and let his wasted life drift away instead he stumbles onto a whole new way of looking at the world His new teacher calls him Nobody and he can't deny the truth in the name A touching friendship unfolds as Nobody hears life and love being explained in a whole new way and hope begins to burn in his heart as the poignant lessons etch themselves into his thinking Their time together is a confusing chrysalis for Nobody He wonders whether it is in him to burst forth a beautifully colored butterfly as he is slowly transformed **Demons & Angels** J.K. Norry, 2014-12-02 Dark thoughts feed our demons A week ago Paul didn't even believe in demons Now he sees them everywhere They ride around on heavy human shoulders whispering hateful silence to their hosts In the wake of a tragic accident Paul finds it hard to take the demons seriously He is too caught up in mourning the loss of his best friend Kris Whatever responsibility that comes with seeing demons is of no interest to him Paul just wants his life back Except Kris is haunting Paul The demons are starting to notice him watching them Also he seems to have developed some pretty incredible abilities beyond seeing demons A new life needs to take shape if Paul wishes to survive but the cost may be his old life falling apart **Demons Angels** is the first novel in the Walking Between Worlds universe a supernatural story set in Heaven Hell and San Francisco Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA [Rise of the Walker King](#) J.K. **The Demon Be Damned** J.K. Norry, 2019-11-20 Demons are created by a mind at war with itself The demons on Earth are influencing

humanity's path far too much and devils are finding doorways to the realm that did not exist before Only a demon created in Heaven and forged in the fires of Hell can make a difference when Heaven and Earth begin to bleed into each other Only a demon with the power of an angel and the heart of a devil can find a way to drive the devils back to Hell and keep all those demons in check But why would he want to God's back turned on Roche a long time ago The one most dear to him is by definition his greatest enemy Roche has no place in Heaven no friends in Hell and no fun on Earth The more his soul descends into darkness the more he is convinced that reality itself is fundamentally flawed He must find a way to understand his own existence and reconcile it in a way he can accept Otherwise he will have to end all the worlds The Demon Be Damned is a prequel to the story told in the Walking Between Worlds trilogy The only witness there from the start is the original demon Roche His tale goes back way back and we have to trace it to the very beginning to see just how vital his role has been in the continued existence of humanity Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA
