ages verifies the donation of a Christian church by a certain Waldo in Seeburg a small village in Southern Germany No further historic records of this mysterious Waldo existed So I spent two years of intense research to unravel his alleged identity I concluded that Waldo and Charlemagne the mighty Carolus Magnus Charles the Great were like the priest and the soldier who shared a lifelong bond forged in childhood They saw themselves as Christianity s cross and sword put on earth by God to build and defend Christendom in medieval Europe Both men differed in their approach to converting the pagans Charlemagne the soldier believed in a swift decision and the beheading by sword of the unwilling My god is your god My will be done Waldo the priest believed in a more gentle missionary way bringing salvation with bread wine and fear of the unknown and the promise of a better life in heaven Jesus died for us on the cross for our redemption Thy kingdom come Amen They also shared a terrible secret known only to themselves and God It s a secret that history failed to uncover in the last 1250 years     *Dictionary of English Etymology* Hensleigh Wedgwood (M.A.),1865     Island nights' entertainments, consisting of The beach of Falesá, The bottle imp.
