of each other's cars speeding toward the relief they found at Pulse nightclub in Orlando. Zag From committing a little bankruptcy fraud for the money for veneers to those days he paid his phone bill by giving massages to closeted men on vacation back when he and his friends would Venmo each other the same emergency twenty dollars over and over. Zig Zag Gomez survived this way as long as his legs would carry him. Alligator Tears is a fiercely defiant memoir in essays charting Gomez's quest to claw his family out of poverty by any means necessary and exposing the archetype of the humble poor person for what it is: a scam that insists we remain quiet and servile while we wait for a prize that will always be out of reach. For those chasing the American Dream and those jaded by it, Gomez's unforgettable story is a testament to finding love, purpose, and community on your own terms, smiling with all your fake teeth. **School for Sleuths** Dan

Is Viola Beamer's new step mother really a black widow or did her four elderly husbands die of natural causes? Is one of her neighbors involved? Or her boss? Or someone else? years after the publication of *Push*, one year after the Academy Award-winning film adaptation, Sapphire gives voice to Precious's son Abdul. In *The Kid*, bestselling author Sapphire tells the electrifying story of Abdul Jones, the son of *Push*'s unforgettable heroine Precious. A story of body and spirit rooted in the hungers of flesh and of the soul, *The Kid* brings us deep into the interior life of Abdul Jones. We meet him at age nine on the day of his mother's funeral. Left alone to navigate a world in which love and hate sometimes hideously masquerade, forced to confront unspeakable violence, his history and the dark corners of his own heart, Abdul claws his way toward adulthood and toward an identity he can stand behind. In a generational story that moves with the speed of thought from a Mississippi dirt farm to Harlem in its heyday, from a troubled Catholic orphanage to downtown artist's lofts, *The Kid* tells of a twenty-first-century young man's fight to find a way toward the future. A testament to the ferocity of the human spirit and the deep nourishing power of love and of art, *The Kid* chronicles a young man about to take flight. In the intimate, terrifying, and deeply alive story of Abdul's journey, we are witness to an artist's birth by fire. *I Want You to Shut the F#ck Up* D.L. Hughley, Michael Malice, 2013-08-06 D.L. Hughley calls it like he

sees it, discussing everything from dating to former president Barack Obama with sharp, thoughtful commentary. The best book since *The Hunger Games*. First he was a King of Comedy; now he's the king of comedy authors. Chris Rock: The American dream is in dire need of a wake-up call. A f#cked-up society is like an addict; if you are in denial, then things are going to keep getting worse until you hit bottom. According to D.L. Hughley, that's the direction in which America is headed. In *I Want You to Shut the F#ck Up*, D.L. explains how we've become a nation of fat sissies playing Chicken Little, but in reverse: The sky is falling, but we're supposed to act like everything's fine. D.L. just points out the sobering facts: there is no standard of living by which

we are the best In terms of life expectancy we re 36th tied with Cuba in terms of literacy we re 20th behind Kazakhstan Things are bad now and they re only going to get worse Unless of course you sit down shut the f ck up and listen to what D L Hughley has to say I Want You to Shut the F ck Up is a slap to the political senses a much needed ass kicking of the American sense of entitlement In these pages D L Hughley calls it like he sees it offering his hilarious yet insightful thoughts on Our supposedly post racial society The similarities between America the superpower and the drunk idiot at the bar Why apologizing is not the answer to controversy especially when you meant what you said Why civil rights leaders are largely to blame for black people not being represented on television And more The Bloody Shamrock R. Deravakian,2023-08-02 It s the 80s It s New York City And life in the Big Apple is one mean and dangerous place Crime is at an all time high And out here there s a man that would like to think of himself as the biggest and baddest dude to ever grace these streets One Michael Madboy Connelly A real brawler a real womanizer a real player and a real prick Just an all around bad boy But he s got his story that of a newly released man that s planning for revenge against those he believes had set him up and had him sent to the slammer But that s just one man s story in a bigger story There s also a man in the city that s been all over the TV that everyone s calling The Big White Head A mysterious man with a lot of power that plans to start anarchy Start what he s proclaiming as The Age of Rage leading to all the gangs on the streets to rise up and try to wipe this city straight off the map Between Michael Madboy Connelly The Big White Head and The Age of Rage it s gonna be a hot time in the city tonight
