PARTNER VISA (SUBCLASS 309) – APPLICATION DOCUMENT CHECKLIST

This document lists the information and supporting documents required to lodge your application. It also lists additional documents that you may need to provide depending on your individual circumstances. You may also need to provide additional documentation on request from the Department during the processing of your application.

While the checklist below is long, it provides you with all the required information. Please take your time to go through it completely, as complete applications are likely to be processed more quickly. Incomplete applications may be delayed or, in some cases, refused. The Department is not required to contact you if your application is incomplete. It is therefore in your best interest to submit all the required documents with your application.

Please make sure you photocopy all the required official documents and English translations and present the photocopies and the original documents and English translations of documents to the counter officer so that we can certify the photocopies and return the original documents back to you immediately. **Please note that this office does not photocopy or translate documents.** Only a certified true copy of the original by a Justice of the Peace or other authorised person is acceptable if the original is not available.

Note: You should use this checklist only if you are applying for a first stage Partner (subclass 309) visa. If you have already been granted a temporary Partner (subclass 309) visa, the Department will send you a second stage Partner visa processing checklist when you are eligible to be considered for the permanent Partner (subclass 100) visa.

Further information on Prospective Marriage Visas is available in: **Booklet 1 – Partner Migration**, Available at <http://www.immi.gov.au/allforms/booklets/books1.htm>.
