Business Research Pieter W. Buys, Merwe Oberholzer, 2023-03-14 This book focuses on research methodologies that apply to business research particularly for researchers and managers embarking thereon to support managerial decision making in the industry In doing so the book s objective is to guide business researchers in identifying defining and applying rigorous academic methodologies that will enable them to formulate design and execute effective research that answers their specific management problems Such guidance can empower organizational managers to understand that business research can contribute to practical solutions to actual problems experienced in the industry In addition by emphasizing the integrative nature between 1 academic research and 2 experienced industry problems it becomes possible to foster an awareness of such research s potential impact on organizational performance management sustainability and resilience With that attention is given to narrowing the gap between theory and practice which requires that fundamentals of scientific research be adhered to while maintaining the delicate balance between a practice friendly guide to pragmatically sound and academically rigorous business research Falkland Islands Investment and Business Guide Volume 1 Strategic and Practical Information IBP USA, 2013-08 Falkland Islands Investment and Business Guide Strategic and Practical Information *A Macroeconomic Approach to Supervisory Standards Assessments* International Monetary Fund. Monetary and Capital Markets Department, 2014-08-18 Standards assessments serve several important objectives but are not well integrated into Fund surveillance Financial standards assessments when undertaken in the context of FSAPs are used to identify weaknesses in financial regulation and supervision or other areas covered by international standards However those weaknesses are not specifically linked to the risks and vulnerabilities facing the financial sector Conversely the analysis of country specific vulnerabilities in the FSAP does not contribute to targeting the standard assessment effort since the assessment must be exhaustive and cover the entire standard **Audit and Accounting Guide - Depository and Lending Institutions** AICPA, 2018-09-10 The 2018 edition of this financial institution industry standard resource offers clear and practical guidance of audit and accounting issues such as transfers and servicing troubled debt restructurings financing receivables and the allowance for loan losses and fair value accounting It also provides direction for institutions assessing their operations and internal controls for regulatory considerations as well as discussions on existing regulatory reporting matters **Audit and Accounting Guide: Property and Liability Insurance Entities 2018** AICPA, 2019-01-14 Get authoritative accounting and auditing guidance Educate staff on the property and liability insurance industry its products and regulatory issues and the related transaction cycles an insurance entity is involved with This guide contains updates on current GAAP and statutory accounting and audit guidance as well as relevant guidance contained in standards issued through September 1 2018 which have a major impact on insurance entities including FASB ASU No 2016 01 and AICPA Q A Section 7100 15 Insurance Companies and the Definition of Public Business Entity Revenue Recognition Implementation Issue Considerations for
