A Study of Petrine Christology from Key Texts in 2 Peter Kelly Adair

Seely, 2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the

eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father

Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
