Study Guide The Pursuit Of God:

The Pursuit of God with Study Guide A. W. Tozer, 2006-01-01 Sometimes the voices that speak most clearly in the present are those that echo from the past So it is in this Christian classic by the late pastor and evangelist A W Tozer In The Pursuit of God Tozer brings the mystics to bear on modern spirituality grieving the hustle and bustle and calling for a slow steady gaze upon God With prophetic vigor and flowing prose he urges us to replace low thoughts of God with lofty ones to quiet our lives so we can know God s presence He reminds us that life apart from God is really no life at all Tozer s bestseller this book has been called one of the all time most inspirational books by a panel of Christian magazine writers And with this study guide ideal for group or individual use reflection and discussion questions will help you internalize the content and apply it to your life

The Pursuit of God A. W. Tozer, 2020-08-18 During a train trip from Chicago to Texas in the late 1940s A W Tozer began to write The Pursuit of God He wrote all night and when the train arrived at his destination the rough draft was done The depth of this book has made it an enduring favorite Readers cannot help but hear the voice of God calling them to a deeper relationship with Him while reading this amazing classic From beginning to end each page in The Pursuit of God is an impassioned plea for the reader to abandon comfortable Christianity in order to truly know God as He desires to be known This is the most important and foundational book of the Christian faith written by a man who wore holes in the knees of his pants from praying The Pursuit of God challenges the reader to consider their own faith in Christ and what they should be doing with that faith in virtually every chapter The chapter entitled The Blessedness of Possessing Nothing should be required reading for anyone confessing Christ as their Lord If you have not done so already please read this book Your life and the lives of those you share this book with will be forever enriched

The Pursuit of God A. W. Tozer, 2016-02-14 The Pursuit of God Aiden Wilson TOZER 1897 1963 As the heart panteth after the water brooks so panteth my soul after thee O God The Pursuit of God is an inspirational book that aims to guide those who wish to follow Christ It includes biblical teachings that emphasize the concept of pursuing God The concept of seeking God should be evident in the context of obtaining a genuine relationship between the Creator and the creature Man must consider God as not only a creator but the one who sustains life hence all creatures must depend solely on Him The book also discusses that faith is a necessity for spiritual survival Despite our sinfulness God has sought us to establish a relationship with Him He filled our hearts with the desire to follow and serve Him and to pursue our Creator Because of God s love He sent Christ to teach us and redeem us from our sins Tozer provided a thorough explanation about God s universal presence and he stated that God offers His love to all His children The degree of our fellowship with God relies on us which is why we cannot say that He is too preoccupied to give us His time Instead our Heavenly Father pursues us to be with Him Yet only a few respond to God s call to build a solid relationship with our Creator The key to genuine happiness is to seek and possess God instead of attempting to obtain worldly possessions Those who choose to follow God s path are the ones who are poor in spirit because they have abandoned

their pride and selfishness to pursue the Heavenly kingdom They understand that the secret to attaining peace is by humbling themselves and acknowledging God s power Furthermore in order to follow God we need to end our sinful ways and put our trust on God alone When we instill in ourselves a strong faith and belief in God we will come to know Him deeply The book teaches us the value of knowing God through our personal experience instead of thinking of Him as an abstract being With constant communication with God we will be able to develop a personal relationship with Him Tozer asserts that God never ceases to speak to use and we only need to listen and engage in a conversation with our Heavenly Father This excellent treatise guides Christians to form a deeper and stronger relationship with God regardless of their level of spiritual development The author main goal is to provide insights on how we can establish habits and a lifestyle dedicated unto God This way we can reach that point in our life where we can have a richer understanding of God s love for us The Pursuit of God teaches us that we should try to be consistent in our goal to follow God We cannot benefit from having a dual existence As Christians we should not divide our lives into the secular and the sacred rather we should do our best to life a life dedicated to God s glory Our goal to conform to Christ s image should be evident in our words actions and daily life Through this book Tozer shares practical ways that will help us to become closer to God by following His teachings This inspiring literature can help individuals who hope to discover the path towards God and attain a peaceful and meaningful life

The Pursuit of God A. W. Tozer,2015-02-27 The Pursuit of God by A W TOZER Made of ten chapter plus the introduction the pursuit of God is just not one of the many books wrote by A W Tozen about Christianity God and the Christian message The book is basically made to seem a path that would ideally guide the reader along his understanding of God This book has the finality to guide not just attention and actions of the readers in the right way to reach the understanding of God but would like to forge their thoughts as well in order to make them follow a series of steps which would ideally drive them to an higher level of satisfaction and an higher level of Christianity One of the ideas behind this work is that the priority of spend time taking care of spirituality and understanding the divine essence has been forgotten for too long The reason of this fact is mainly attributable at a tendency to see religion and spirituality more as an hobby then as a passion and a dutie For all these reasons what the author would like to do is to shake people consciousness in order to delete this tendency and make the love for God shine again on Christians lives The author in his book says that the only way to highlight again the message of the Christianity is to pray and meditate with consciousness and determination to reach a deeper level of concentration about our soul All the work is based on the message of God and on the need to keep this message and the divine as the heart of our essence since this is the only way we have to lead to peace and to emotional and spiritual safety and satisfaction Into chapters of the book the author keep on remembering to his readers the importance of Christian s values he encourage us to think about God in order to create into our mind a clear idea of him as of someone who is really and strongly into our lives On the same idea are based also other works of this writer such as the most known which are the root of right precious gems of spirituality What happened to adoration and last but not least the research of God All these book together would ideally let the reader know about the author s deep understanding of God and would help him to understand why and in which circumstances he betrayed his faith or did something that maybe is keeping him far from God and from his message of love and acceptance Here is a masterly study of the inner life by a heart thirsting after God eager to grasp at least the outskirts of His ways the abyss of His love for

sinner and the height of His unapproachable majesty and it was written by a busy pastor in Chicago Who could imagine David writing the twenty third Psalm on South Halsted Street or a medieval mystic finding inspiration in a small study on the second floor of a frame house on that vast flat checker board of endless streets Where cross the crowded ways of life Where sound the cries of race and clan In haunts of wretchedness and need On shadowed threshold dark with fears And paths where hide the lures of greed But even as Dr Frank Mason North of New York says in his immortal poem so Mr Tozer says in this book Above the noise of selfish strife We hear Thy voice O Son of Man My acquaintance with the author is limited to brief visits and loving fellowship in his church There I discovered a self made scholar an omnivorous reader with a remarkable library of theological and devotional books and one who seemed to burn the midnight oil in pursuit of God His book is the result of long meditation and much prayer It is not a collection of sermons It does not deal with the pulpit and the pew but with the soul athirst for God The chapters could be summarized in Moses prayer Show me thy glory or Paul s exclamation O the depth of the riches both of the wisdom and knowledge of God It is theology not of the head but of the heart *The Attributes of God Volume 2* A. W. Tozer,2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to *The Attributes of God Volume 1* examines ten more attributes of God It also includes a study guide for an in depth look at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you *The Pursuit of Holiness Study Guide* Jerry Bridges,2014-02-27 Holiness should mark the life of every Christian But holiness often is hard to understand In the 12 lessons in this companion study guide to *The Pursuit of Holiness* ISBN 9781576839324 by Navigator author Jerry Bridges you can discover the Bible s guidelines for holy living As you develop a deeper relationship with God you will learn more about His character grow in maturity and understand the role the Holy Spirit plays in your pursuit of holiness *The Pursuit of God: A Quick Read edition* Quick Read,A. W. Tozer,2024-02-16 Discover a new way to read classics with Quick Read This Quick Read edition includes both the full text and a summary for each chapter Reading time of the complete text about 3 hours Reading time of the summarized text 11 minutes *The Pursuit of God* by A W Tozer is a masterful study of the inner life focusing on the deep things of God and the riches of His grace The author emphasizes the importance of seeking God and experiencing His presence in our lives Tozer argues that modern Christianity has lost the sense of wonder and awe that should accompany faith in Christ He believes that the key to a deeper relationship with God is through humility obedience and love Tozer highlights the importance of faith and the need for a personal experience with God rather than just relying on religious rituals or doctrines He encourages believers to seek an intimate and satisfying knowledge of God which can only be

achieved through a personal relationship with Him The author also discusses the importance of surrendering our lives to God and allowing Him to be exalted above all else Throughout the book Tozer emphasizes the need for Christians to break free from the sacred secular divide and to live every aspect of their lives for the glory of God He believes that all acts whether seemingly mundane or spiritually significant can be acts of worship when done with the right intention and in the spirit of love for God In conclusion The Pursuit of God is a call for believers to seek a deeper more intimate relationship with God and to live lives that are fully surrendered to His will and purpose
