Stygian Sherrilyn Kenyon, 2018-08-28 A New York Times bestseller 1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark Hunters in *Stygian* with a hero misunderstood by many but most of all by himself Born before man recorded time I lived for thousands of years believing myself to be something I'm not Someone I'm not Lied to and betrayed by gods Daimons and Dark Hunters I've struggled to find my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son Trained as a slayer and predator I learned to fit in and stay low To become a tool for evil Until I was sent to kill the one woman I couldn't My hesitation cost her her life Or so I thought In an act of betrayal that makes all the others pale in comparison I've learned that this world is an illusion and that my Phoebe still lives Now I will have to travel into the very pits of Hades to try and save her even as everyone around me attempts to steal what little soul I have left There's only one person at my back and I'm not sure I can trust her either for she was born of an enemy race Yet sometimes the road to redemption is one that singses us to our very core And if I fail to find the answers I need to save Phoebe more than just my wife will die We will lose the world Both human and Daimon At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
