Vanity Photographs By Scott Caan:

Vanity: Photographs by Scott Caan Howard Nourmand, 2014 Over the past decade actor Scott Caan has quietly garnered a reputation as an outstanding photographer This exceptional volume is a celebration of his most recent work Shooting with a photojournalist's eye Caan captures moments that have a quiet honesty to them and a documentary feel Caan's images also have a unique insight into life as a celebrity as the book's cover image taken from the top of the red carpet at Cannes where no photographer has ever been allowed looking back at the paparazzi below attests The title of the book is another subtle nod to his fame Countering claims that he is simply indulging in a vanity project Caan has reclaimed the word in full force with this exquisite demonstration of his talent To me Vanity was the perfect title Photography is the one thing I can do where I don't have to answer to anybody y In a sense it is my selfish way of saying these are the photographs that I like **This**

Isn't 40 Scott Caan, 2020-09-08 Jimmy is a semi successful artist and playboy approaching middle age when he decides it's time to step up and try love maybe before it's too late He meets Rose she's different in all the right ways The head on her shoulders and her family values juxtaposed with Jimmy's childhood trauma and lack of family values makes for a potent match But unexpectedly within the first year of the romance she gets pregnant things get all too real too quickly The complexities of making a new relationship work while raising a small child ultimately tear them apart Donnie Jimmy's closest friend is going through a divorce that almost takes him down After a long indecisive battle he somehow makes it through gets in shape and with the help of modern technology makes a solid run at reliving his twenties He pulls Jimmy along with him forcing him into a date with a young sharp and fierce gal named Binky who basically ends up taking Jimmy to school A night of sex drugs and a near death experience lands Jimmy right back at square one only now with a deep and painful longing for the family he started and subsequently walked away from *This Isn't 40* explores the changing times for men and women the effects of childhood cautionary tales and the choices we make for the next generation *Vanity Fair*, 2014 *Dress & Vanity Fair*, 2007 *New York Magazine*, 1974-12-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Sight and Sound**, 2002 *Catalog of Captioned Films/videos for the Deaf*, 1990
