Les politiciens postcoloniaux ont constamment fait montre d un deoncertant opportunisme Il peut certes leur arriver de solliciter publiquement ou officieusement l'Eglise travers ses princes locaux pour accompagner les pouvoirs publics dans la rsolution des conflits sociopolitiques Mais par moments ils n histeront pas leur rappeler que l'Eglise ne doit pas se mler de politique Elle doit se cantonner dans les affaires spirituelles oubliant l'un des enseignements les plus mmorables de Mgr Ndongmo savoir qu'on ne peut pas conduire les hommes au ciel comme si la terre n existait pas The Oxford Handbook of Vatican II Catherine E. The book is divided into two major parts the first presenting the foundations in the Bible and the tradition up to our day and the second being an explanatory proposal introducing the reader to the Church's definition and personality and concluding with an exposition of the four properties enunciated in the Creed one holy catholic and apostolic The value of this way of proceeding is first and foremost in the proposal of a synthesis that allows one to situate each question in its rightful place such study being oriented toward a better overall grasp of the subject As the title suggests the book is an introduction that should allow the reader to apprehend the mystery in its internal coherence in order subsequently with the aid of other texts to be able to enter more deeply into the study of one or other specific point While this ecclesiology treatise is written from a Catholic point of view an ecumenical perspective is often present either through the presentation of divergent views from other Christian confessions or through the proposal for a theological convergence True Reform Massimo Faggioli, 2012-09-01 For Massimo Faggioli the debate about the meaning of Vatican II too often misses the profound significance of that council s first and perhaps most consequential document Sacrosanctum Concilium The result is a misunderstanding of both the council as a whole and the liturgical reform that followed from it In True Reform Faggioli takes Sacrosanctum Concilium as a hermeneutical key to the council He offers a thorough reflection on the relationship between the liturgical constitution and the whole achievement of Vatican II and argues that the interconnections between the two must emerge if we want to understand the impact of the council on global Catholicism The Pastor Bonus Theo Clemens, Wim Janse, 2003-07-30 From earliest times the Western

Church has fiercely debated questions about the place of the ministry within the Church and Church government What requirements should be met by candidates for holy orders and what do we expect of priests and ministers personal holiness training for their calling social skills or merely the possession of official ordination. The Church has at different times produced very different answers and the 30 scholars from Britain the Netherlands and Belgium whose papers in this volume follow the course of the debate concerning the good shepherd from the early church through to modern times show on the one hand what happens to Christian communities that have lost a clear view of the functions of the ministry and on the other just how much trust people have always placed in their priests and pastors With contributions by Anton Weiler Charles Caspers Robert Swanson Petty Bange Mathilde van Dijk Claire Cross Fred van Lieburg Ingrid Dobbe Frank van de Pol Eamon Duffy Joke Spaans Trevor Johnson Gian Ackermans David Wykes Jeremy Gregory W M Jacob Joris van Eijnatten Nigel Yates David Bos Leo Kenis F G M Broeyer Frances Knight John Tomlinson Stuart Mews Lieve Gevers and Ian Jones Review of Church History, Volume 83: The Pastor Bonus Theo Clemens, Wim Janse, 2003-07-01 The Dutch Review of Church History is a long established periodical primarily devoted to the history of Christianity It contains articles in this field as well as in other specialised related areas For many years the Dutch Review of Church History has established itself as an unrivalled resource for the subject both in the major research libraries of the world and in the private collections of professors and scholars Now published as an annual the Dutch Review of Church History offers you an easy way to stay on top of your discipline With an international circulation the Dutch Review of Church History provides its readers with articles in English French and German Frequent theme issues allow deeper cutting edge discussion of selected topics An extensive book review section is included in every issue keeping you up to date with all the latest information in the field of Church history Contributors to vol 83 include Gian Ackermans Petty Bange David Bos F G M Broeyer Charles Caspers Theo Clemens Claire Cross Mathilde van Dijk Ingrid Dobbe Eamon Duffy Joris van Eijnatten Lieve Gevers Jeremy Gregory W M Jacob Trevor Johnson Ian Jones Leo Kenis Frances Knight Fred van Lieburg Stuart Mews Frank van de Pol Peter Raedts Joke Spaans Robert Swanson John Tomlinson Anton Weiler David Wykes and Nigel Yates Yves Congar's Vision of the Church in a World of Unbelief Gabriel Flynn, 2017-03-02 Yves Congar 1904 1995 was one of the chief architects of a remarkable renewal in Roman Catholic ecclesiology in the twentieth century His vision for ecclesial renewal led to a profound transformation of the Roman Catholic Church its relationship with other churches and the world This book considers the contribution made by Congar to that transformation Situating Congar's ecclesiology in the context of his whole theology the book presents for the first time a comprehensive study of two related aspects of Congar's thought unbelief and the notion of total ecclesiology Dr Flynn shows how unbelief provides the common inspiration for Congar's thought on the Church and constitutes the raison d tre for his entire programme of ecclesial reform at the Second Vatican Council This study demonstrates how Congar's total ecclesiology contributes to the restoration of unity and helps to redress unbelief Congar's

vision for the future and his programme for ecclesial renewal centering on a church committed both to the preservation of its heritage and an openness to true reform is shown to be still pertinent to the churches in the third millennium a point accented by Pierre Marie Gy OP in his Preface to the work The Vatican Council. The Vatican council. Eight months at Rome during the Vatican council, impressions by Pomponio Leto. Transl Francesco Nobili-Vitelleschi (march.),1876 God's Word Pope Benedict XVI,2008 In this book Joseph Ratzinger now Pope Benedict XVI explains the nature of the Bible as the Word of God and the important teaching of how the divine Word is also present in Tradition He explains the crucial role of the Bishop as interpreter of the Word of God and custodian of Tradition in the Church This is a frank yet open exploration of the Catholic understanding of God's Word presented in a collection of classic essays by the brilliant teacher and writer who became Pope Benedict XVI God's Word Joseph Ratzinger, 2009-09-03 In this book Joseph Ratzinger now Pope Benedict XVI presents the Word of God as a living reality in the Church God's Word according to Ratzinger is encountered in the Bible in Tradition and through the teaching Office of the Bishop who through apostolic succession is to be the servant of and witness to the divine Word Ratzinger examines as well the relationship between the Episcopacy and the Papacy He also considers the nature of Apostolic Succession and he responds to Reformed objections to the Catholic view of the subject His treatment is sympathetic to the concerns of non Catholic Christians while remaining faithful to Catholic teaching and practice This book also includes the famous Erasmus Lecture of Cardinal Ratzinger which assesses the strengths and weaknesses of modern critical approaches to biblical interpretation Ratzinger proposes a new approach that avoids the pitfalls of a narrowly critical outlook on the Bible without succumbing to fundamentalism God's Word provides profound insights into Pope Benedict XVI s efforts to renew the Church s participation in God's Truth through the divine Word as well as the Church's mission to proclaim the Word to all people La "question féminine" et l'Église catholique Alice Dermience, 2008 L mancipation f minine est sans conteste une r
