Vanilla Manila Folder Games: For Young Children Jane A. Caballero, 1987-10 Vanilla Folder activities are easy to store and make and they hold children's attention. The only materials needed are Manila file folders, marking pens, construction paper, scissors, and glue. The clear cut format of this book, which includes folders, patterns, and directions, will assist any educator in developing basic curriculum materials while staying within a limited budget. You'll discover the simplicity and fun that thousands of teachers already love.

The Infant & Toddler Handbook Kathryn Castle, Ed.D., 1987-10 Developmentally sequenced by age group, this versatile book can be used as a materials guide in both formal and informal settings. Each activity is introduced by detailing the emerging ability and caregiver role while giving individual invitations to care for and instruct these special developmental stages. Tips are included on how to introduce toys, store materials, develop basic care routines, create activity centers, and avoid trouble spots.

Nursery Crafts Jarie Lee Waterfall, 1988-05 These exciting new ideas for teachers, instructors, and parents are designed to help young children express themselves artistically. Successfully child tested, these activities involve easy-to-duplicate patterns and crafts that enable children to learn about texture, color, gluing, cutting, and identifying objects. While putting together these projects, children enlarge their learning capacity and memory skills while experiencing a sense of personal achievement. Enable your children to construct their own mini masterpieces.
