Suzuki Sniper Mx User Manual:

To Be a U. S. Army Ranger Russ Bryant, 2003 **Nomonhan** Edward J. Drea, 1981 Before World War II the Imperial Japanese Army IJA developed an offensive tactical doctrine designed to allow its infantry forces to fight successfully against a superior foe the Soviet Union A battle test of that doctrine s effectiveness occurred from June through August 1939 along the Outer Mongolian Manchurian border This essay follows the daily combat operations of the IJA s 2d Battalion 28th Infantry Regiment 7th Infantry Division for a two month period During that time the 2 28th Infantry was in constant contact with Soviet combined arms forces In July the battalion participated in offensive operations against Soviet units commanded by General Georgi K Zhukov When Japanese tactical doctrine failed against a Soviet combined arms force the Japanese went on the defensive Japanese officers however regarded defensive doctrine as transitional in nature and adopted it only to gain time to prepare for a counterattack Defensive doctrine dictated that terrain be held until the resumption of offensive operations that would destroy the enemy Special Agent Man Steve Moore, 2012-08-01 For decades movies and television shows have portrayed FBI agents as fearless heroes leading glamorous lives but this refreshingly original memoir strips away the fantasy and glamour and describes the day to day job of an FBI special agent The book gives a firsthand account of a career in the Federal Bureau of Investigation from the academy to retirement with exciting and engaging anecdotes about SWAT teams counterterrorism activities and undercover assignments At the same time it challenges the stereotype of FBI agents as arrogant case stealing suit wearing stiff with representations of real people who carry badges and guns With honest self deprecating humor Steve Moore s narrative details his successes and his mistakes the trauma the job inflicted on his marriage his triumph over the aggressive cancer that took him out of the field for a year and his return to the Bureau with renewed vigor and dedication to take on some of the most thrilling assignments of his career Steve Moore is a former agent of the Federal Bureau of Investigation who had assignments as a SWAT team operator sniper pilot counterterrorist and undercover agent He received multiple awards from the Department of Justice before his retirement in 2008 has written two episodes for an FBI themed TV series and is a regular commentator for Headline News He lives in Thousand Oaks California
