

FOREWORD

This manual contains an illustrated description of the SUZUKI M-1000 and procedures for its proper maintenance and inspection of its main components. Other information considered as generally known is not included.

Please read GENERAL INFORMATION and important items placed with the motorcycle and its maintenance. Use this section as well as other sections as a guide for proper inspection and service.

This manual will help you know the motorcycle better so that you can assure your customers of fast and reliable service.

- This manual has been prepared on the basis of the latest specifications at the time of publication. If modifications have been made since then, differences may exist between the content of this manual and the actual motorcycle.
- Illustrations in this manual are used to show the basic processes of operation and work procedures. They may not represent the actual motorcycle exactly in detail.
- This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

WARNING

Impropered technique or equipment without the proper tools and equipment may not be able to properly perform the services described in this manual. Improper repair may result in injury to the mechanics and may render the motorcycle unsafe for the rider and passengers.

IMPORTANT

All street-legal Suzuki motorcycles with engine displacement of 50cc or greater are subject to Environmental Protection Agency (EPA) emission regulations. These regulations set specific standards for exhaust emissions output levels as well as particular service requirements. This manual includes specific information required to properly inspect and service the M-1000 in accordance with all EPA regulations. It is strongly recommended that the chapter on Emission Control, Periodic Servicing and Certification be thoroughly reviewed before any type of service work is performed.

Further information concerning the EPA emission regulations and U.S. Suzuki's emission control program can be found in the U.S. SUZUKI EMISSION CONTROL PROGRAM MANUAL/SERVICE BULLETIN.
