What Does The Holy Spirit Do:

Who Is the Holy Spirit Robert Louis Rayburn, 2010-01 Introduction Nearly a decade ago I was writing Christian articles for a prison ministry called ROC or Reach Out to Christ under the direction of my sister Maggie Rayburn Wesley This was a by monthly correspondent newspaper ministry presenting the Gospel of Christ to prisoners in various sections of America As indicated my sister Maggie was then and now the president of this enterprise One month during that period I wrote an article on the subject Who Is The Holy Spirit And What Does He Do Many prisoners responded to that article conveying their testimonies of spiritual help and godly enhancement Today I would like to borrow that same subject from myself for my current composition on the ministries of the Holy Spirit The Holy Spirit is a member of the Trinity He is a member of the Trinity or Godhead which consists of the Father the Son and the Holy Spirit It is essential that we as Christians learn to know the Holy Spirit not as an influence as the Watchtower people would describe Him but as a divine Person This concept of Him will prepare us for the blessings that He wants to bring into our lives We might ask ourselves some questions concerning the Holy Spirit Is He worthy of our love Is He to receive us and use us Or are we to receive Him only in order to use Him Should we seek more of the Holy Spirit Or should He have more of us If we at will may have more of the Holy Spirit we are likely to become proud If on the other hand the Holy Spirit is the One Who should have more of us the likelihood is that we will become humble For us to know Him as a divine Person to whom we should be in constant submission will lead to the transformation of our lives Probably the Holy Spirit is more misunderstood than all the Members of the Godhead or Trinity The purpose of this book is to expose some of these fallacies and to bring into disrepute their claims No doubt one reason is because the Bible says concerning the Holy Spirit He shall not speak of himself He shall glorify me Christ John 16 13 14 The fact of His Personal silence has triggered a host of false assumptions by many This book is designed to dispel these unwarranted conclusions The Author Robert Louis Rayburn *The Holy Spirit* Neville Salvetti, 2010-08-18 The Holy Spirit is your constant companion in this world It is He who walks with you and helps you too how live a Citizen of The Kingdom of God This book endeavours to give you a greater understanding of the personal role of The Holy Spirit in your life So that you will understand the necessity of a personal relationship with Him if you want to live as Jesus requires you to live The Holy Spirit R. A. Torrey, 2008-08-15 R A Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the Apostle Paul Not only was Torrey a great Bible teacher and preacher he was also filled with the Holy Spirit He lived what he preached In his worldwide revival crusades Torrey presented **What the Bible says about the Holy Spirit** David Pawson, 2015-05-20 This new book covers the following themes Why do People Seek the Holy Spirit The Holy Spirit in the Old Testament The Holy Spirit in the New Testament an Overview and the Holy Spirit in the Gospels John Acts Epistles Revelation The Holy Spirit in History **HOW CAN WE RECEIVE THE HOLY SPIRIT AS A GIFT?** Rev. Part Two Appendix 1 Questions Answers 419

In Christianity today the most frequently discussed issues are salvation from sin and the indwelling of the Holy Spirit. However few people have precise knowledge of these two ideas despite the fact that they are the two most important concepts in Christianity. What is worse they cannot find any biblical writing that clearly teaches us about the issues mentioned above. There have been lots of Christian authors glorifying the gifts of the Holy Spirit or describing the Spirit filled lives. But any of them doesn't dare to deal with the fundamental question: How can a believer surely receive the Holy Spirit? Why? Surprising truth is that they couldn't write about it in full scale because they didn't have exact knowledge of it. As Prophet Hosea cried out: My people are destroyed for lack of knowledge. nowadays not a few Christians are drawn into religious fanaticism hoping to receive the Holy Spirit. They believe that they will receive the Holy Spirit by reaching a state of frenzy and hysteria. But it is no exaggeration to say that their so called faith reduces Christianity to mere shallow Shamanism and that such fanaticism derives from Satan. The author Rev Paul C Jong dares to proclaim the truth. He deals the essential subjects in full scale which most spiritual writers have evaded for a long time. He first defines the meaning of being born again and the indwelling of the Holy Spirit and explains the inevitable relationship between the two pivotal concepts. Then he runs the whole gamut of description concerning the Holy Spirit from how to discern the spirits to the way to Spirit filled lives. Church, and Pneumatological Renewal Jos Moons SJ, 2021-11-15 While belief in God the Father the Son and the Holy Spirit is at the very core of the Christian faith the significance of the Spirit in particular is sometimes overlooked in faith practice and theological reflection resulting in what theologians call *Geistvergessenheit* In this context *Lumen Gentium* one of the most important documents of the Second Vatican Council 1962-1965 is usually praised for its pneumatological renewal The current volume however argues that this renewal is no more than modest The Holy Spirit is still conceived of predominantly as an adjunct to Christ To substantiate that claim Jos Moons has developed a novel method of close reading on the basis of which he compares *Lumen gentium*'s conception of the Spirit to that of *Mystici corporis* 1943 He also analyses the redaction historical development of the former and concludes with a plea to envisage the Spirit more boldly as actively guiding the church especially by means of the *sensus fidelium* its charisms and the discernment of spirits **Discover-n-Do**
