Cindy Gilbert,2020-10-30 In life we are given several opportunities to get closer to our Dad In this story I describe how my story is like that of the Lion and the King a story told in India A king is told that he will be killed and going to hell and out of his fear he tries to come up with a solution The King finds out that if he is injured the lion who is a symbol of the devil will not kill him because the lion will not kill its prey if it is already injured The King then decides to injure himself and therefore he will no longer fall victim to the lion because the lion likes a challenge and the King is no longer a challenge since it is injured The injured King then seeks to find comfort to his pain and his pain causes him to seek his creator who can heal all vessels and direct them in the righteous path or destroy the body and the soul on a lake of fire When the King approaches his creator his creator has sympathy for him and restores him and shows him the righteous path to stay away from the Lion therefore giving him an opportunity to be a part of the royal family in heaven The situation of the Lion and the King is like mine because I became injured and through my injuries came to find refuge in my Dad who is also my creator In this book I describe in haiku free style poetry and short stories how the Lion was out to get me and my injury saved me causing me to get closer to my Lord and Savior also known as my Dad This story that you are about to read is about me a child of God who received refuge and healing through our higher power **Falling into Joy** Conni Ponturo,2017-05-04 This is a book about joy and how to get it and keep it in our lives It is all simpler than we are making it out to be meaning living in our bodies Its the small steps we take day in and day out that make a huge difference Thats what creates lasting change and transformation at any age We just need to take them Presented here are real life stories of people who use motivational techniques such as focused breathing and stretching on the foam roller that help them move more easily and allow them to feel better in their bodies and ultimately connect to the joy in their lives You Must Believe Way of Life John Vasquez,2017-09-16 The You Must Believe Way of life can help you reach success in all aspects of life It is not easy to become successful and accomplish great things it takes sacrifice hard work support and most of all a plan to get there So welcome to your new life a new way of thinking and a life that will have you being so grateful for all the things and abundance coming your way Welcome to the You Must Believe way of life *Choose to Be Grateful Daily Journal* Thankful Family Journals,2019-12-30 Practice Daily Gratitude Feel Happier Live A More Balanced Life Cultivate An Attitude of Gratitude This Gratitude journal will help you achieve just that It will help you start your day happy filled with thankfulness and appreciation for the positive things in your life It will re center you and provide balance to your life What
