Stunt Water eBook Buddy Wakefield, 2015-09-22 *Stunt Water* is Wakefield's first 20 years of spoken word and lyrics collected from his original three now out of print books It is a vulnerable cross section of his writing that moves from disarmingly human to sudden bursts of beast able to seamlessly blend back into grounded stories of humor heartache and identity using crisp innovative and unforgettable metaphors If you can only buy one Buddy Wakefield book this collection is the most comprehensive of his most compelling works to date His craft mimics the intrigue of propellers when they make themselves invisible Buddy's honest story is a one man relay race to the light that of a boy at gentleman practice who sometimes wants to blend in so badly he forgets his purpose has already arrived and there is no need to fight a war that's long been over The reader must be prepared for the recurring nightmares from which Buddy wakes up only to realize that whatever supposedly awful thing was stalking him was actually just trying to help *Essays on Teaching* Bob

Life Is What You Make It Peter Buffett, 2011-05-03 From composer musician and philanthropist Peter Buffett comes a warm wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions establish his own identity and reap his own successes In *Life Is What You Make It* Buffett expounds on the strong set of values given to him by his trusting and

broadminded mother his industrious and talented father and the many life teachers he has met along the way Today's society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing instructive and intuitive Life Is What You Make It is about transcending your circumstances taking up the reins of your destiny and living your life to the fullest *Bouquet of Red Flags* Taylor Mali, 2014-11-01 With the perfect blend of wit eloquence and honesty Taylor Mali's poems delight haunt and illuminate with equal measure every subject they celebrate *Bouquet of Red Flags* is laced with more than the typical LSD love sex divorce of modern poetry Here lie poems that elevate the overlooked daily miracles of coincidence The Luck I Crave as well as the blessings of loss and longing Love as a Form of Diving Whether employing form or rhyme or merely crafting the artful prose he is known for Taylor Mali delivers entertaining epiphanies spiced with the Deepest Condiments **Sonata** Andrea Avery, 2017-05-09 Andrea already a promising and ambitious classical pianist at twelve was diagnosed with a severe case of rheumatoid arthritis that threatened not just her musical aspirations but her ability to live a normal life As Andrea navigates the pain and frustration of coping with RA alongside the usual travails of puberty college sex and just growing up she turns to music specifically Franz Schubert's sonata in B flat D960 and the one armed pianist Paul Wittgenstein for strength and inspiration The heartbreaking story of this mysterious sonata Schubert's last and his most elusive and haunting is the soundtrack of Andrea's story Sonata is a coming of age story that explores a Janus head miracle Andrea's extraordinary talent and even more extraordinary illness in a manner reminiscent of *Brain on Fire* and *Poster Child* Like the goshawk becomes a source of both devotion and frustration for Helen Macdonald in *H Is for Hawk* so the piano comes to represent both struggle and salvation for Andrea in this extraordinary debut **What Does Injustice Have to Do with Me?** David Nurenberg, 2020-05-15 Why should we care about the education of privileged white students Conversations about education in America focus near exclusively on underprivileged majority minority schools for many important reasons What Does Injustice Have to Do With Me however argues that such efforts cannot succeed in creating a more just and equitable society without also addressing the students who benefit from America's educational economic and racial inequities These young people grow up to wield disproportionate power and influence yet emerge undereducated and poorly prepared to navigate let alone shape our increasingly diverse country David Nurenberg weaves together narrative from his twenty years of suburban

teaching with relevant research in education and critical race theory to provide practical hands on strategies for educators dealing with challenges unique to high powered suburban urban and independent schools affluent myopia white fragility the empathy gap overinvolved parents overcautious administrators and an if it isn't broke don't fix it mentality Despite high test scores and college acceptances many schools serving affluent white students are indeed broken Social justice education for privileged white students is not only critical for our society but also for helping those students themselves emerge from a culture of anxiety and cynicism to find meaning purpose and self confidence as activist allies **Clear Out the Static in**
