D. Austin, A young drunk and an old ex drunk console each other on the city bus An aging woman recounts the story of her sixty year marriage as she goes to her deathbed A distraught young man remembers his dead friends and calls on their spirits for the strength to go on living Seasonal workers washed up athletes lovers brothers friends and enemies all fight for their identities and their sanity as the modern world seeks to tear them to pieces In these ten stories J D Austin explores the nuances pitfalls failures and redemptions of men and their families in the Upper Midwest J D Austin s book of short stories What You Find in the Woods stands as another proof of his amazing talent His stories come to the reader as gritty and authentic as real life Through his broken characters he imparts age old wisdom set within the homey and raw landscape of the northern Midwest These stories take us into the minds of young men and women who live within the purgatory of becoming broken Sue Harrison international bestselling author of The Midwife's Touch These are stories Jack London might have written if Jack London had been an opiate addled ex hockey player What You Find in the Woods is about how we grieve and how death surrounds us wherever we are Throw in a car chase and a couple of beer jags and you have the literary equivalent of gelignite Austin reminds us of the importance of homemade grilled cheese in nursing homes of the dangers of the day murdering nap and the fact that nobody s free until the day after they die These are powerful stories that

Hemingway himself would have been proud to have written they have the same coiled energy as The Killers and A Clean Well Lighted Place What You Find in the Woods does for the Upper Peninsula what Knockemstiff did for Ohio Jack Austin is a bright scathing talent Sebastian D G Knowles Professor Emeritus of English The Ohio State University Jack Austin s new short story collection What You Find in the Woods offers a diverse set of tales some short some really novel las that reflect the grittier side of life in Upper Michigan especially for young millennial men seeking to survive while coping with issues like loneliness heartbreak and alcoholism Austin creates realistic dialogue and even more realistic characters as he delves into the intricacies of the human experience trying to make sense out of a world where sometimes we are our own worst enemies Tyler R Tichelaar PhD award winning author of The Mysteries of Marquette with his two opening stories plus the powerful titular story set midway even though poor Jake was a goalie in hockey Austin scores a hat trick for the book Well made and exciting stories And we will like his characters He is a good weaver of fiction seasoned with just a touch of humor I think J D Austin is grooming himself for some very fine writing He is quickly becoming the Yooper's answer to Tom Wolfe Read him Donald M Hassler Professor Emeritus of English Kent State University Although deep personal stresses and anxieties face the characters in these stories there is an underlying sense of camaraderie and love that suggests hope This a strong follow up to the first novel of a promising young author Jon C Stott author of Paul Bunyan in Michigan Learn more at jdaustinstories <u>Love Teaches Love</u> Nia Ramsey, 2021-02-24 The novel tells the story of some tenants who live in an apartment com building in Brooklyn New York There are journal entries by a young black female teenager named Tamara In the story there are fellow tenants and the novel tells of their lives before a devastating fire that occurs in the building which leaves everyone homeless There have been other fires that have spread throughout the city and which turn out to be the handiwork of the same group of arsonists responsible for the fire in Tamata's apartment building These arsonists have a secret agenda to destroy the fabric of America's political framework Capitalism In the background are demonic forces which have played a role in the calamities of destruction caused by the fires After the fire the tenants have to adjust to their new circumstances and they learn the lesson of the transforming power of love **In Search of the Whip-poor-will Love Song** Charles Brookins Taylor Sr., 2024-09-06 In Search of the Whip poor will Love Song takes the author Charles Brookins Taylor Sr on a journey using characters that represent three different generations in the search for the meaning of the whip poor will song Through the combination of searching observing reminiscing and dialoguing with others he shows how the whip poor will song underscores what is said in Psalm 19 1 The heavens declare the glory of God a reminder that each creature or thing in God's creation has been given the innate ability to accomplish an ordained purpose in relating to Him and others each in its own unique way Taylor draws upon the Scriptures to remind us that God speaks to us through His visible and invisible creation which tells us that although the spiritual realm transcends the physical realm it permeates and operates within it Taylor also shows us how God is using the whip poor will as a conduit to proclaim a message to us that His love is

unconditional and unfailing And likewise He wants to use us to do the same In a world that often seems to be filled with hate selfishness and discord you may find yourself wondering what has become of our love for one another In Search of the Whip poor will Love Song's story will help us to know that every creature or thing of God has been given the ability to speak love to us each in its own language each in its own unique way each with its own dance May we all remember that God has given each of us and all His creation the ability to proclaim His love and His glory and when we allow this to happen our life will begin to have purpose peace happiness and joy knowing that God's love for us is really real In Love With the Wrong Thug 3 Trenae, 2019-03-04 Just when Sevyn and Jazelle feel like things are looking up here comes the very men who had already crushed their hearts back to cause more mayhem and havoc Boo refuses to allow Jazelle to be happy with anyone other than him and goes above and beyond to ensure that it never happens With her back against the wall Jazelle makes a decision that may forever alter the way she and Clips view each other Will Jazelle and Clips remain together after the smoke clears from all of the wreckage Boo causes in their life Though Sevyn's loyalty is admirable the fact that she's loyal to the wrong people causes issues between her and Croix that threaten to ruin what they were trying to build With Zeek and Kay Kay stopping at nothing to end her happiness will she find her way back to Croix before it s too late In this finale the lines have been drawn and both women know which man is the right one for them but have they figured it all out too late Everything I've Ever <u>Learned About Love</u> Lesley Garner, 2007-01-05 Continuing on from Everything I ve Ever Done That Worked this new work is a love letter to life in the form of a book about love In this beautiful collection of memoirs insights anecdotes and observations Lesley maps her lifelong personal relationship with love Whoever reads this book will be re educated in love They will understand better the impulses that drive their own emotions and relationships and how to resist self destruction and harm What Jackie Taught Us Tina Santi Flaherty, 2005-04-05 She was a woman of confidence focus and passion and it made her one of the world's greatest sources of inspiration and influence She drew on a remarkable wealth of self knowledge and a sense of purpose to cope with extraordinary public demands and overwhelming private needs How can anyone emulate Jackie What Jackie Taught Us offers Jackie s own personal lessons about how best to live one s life with poise grace and zest including wisdom about image and style courage and vision men marriage motherhood and motivation and how best to apply those lessons to everyday life With the shining example of this American icon we can illuminate who we are what we want and what we truly need from ourselves and each other What Schools Never Taught Us- Lessons For Money, Love, And Survival Margaret Atwood, Terri Havens ,2025-09-25 What Schools Never Taught Us Lessons for Money Love and Survival They taught us algebra but not how to manage a paycheck They drilled us on Shakespeare but never on how to navigate heartbreak They prepared us for exams but not for the storms of real life This book is the crash course you were never given the lessons that matter most but were left out of the classroom From money to love to the raw fight for survival What Schools Never Taught Us strips away the fluff and delivers the hard truths timeless principles and practical wisdom you need to
