**Luisa Capetillo, Pioneer Puerto Rican Feminist** Norma Valle Ferrer, 2006 Luisa Capetillo 1879

1922 was a pioneer in the struggle for women's and workers' rights. A feminist and an anarchist, she earned her living as a labor leader and journalist. She wrote brilliant theoretical essays and published four books, including several plays. Ahead of her time, she espoused vegetarianism, a daily regime of Swedish calisthenics, and was the first woman in the Caribbean to wear pants in public. Her life can be read as a dramatic novel: every day an intense ode to personal and political liberation. This biography, the only in-depth historical account of her life and work, rescued her from oblivion and made her a popular icon throughout Latin America. This edition, the first available in English, brings Capetillo's inspiring story to a broader audience.

*Bobby's Book* Emily Davidson, 2012-10-30 Bobby Powers is a real-life character out of a Nelson Algren or Hubert Selby novel. Only he somehow survived and figured out since the only way left to go was up, he might as well try it. Barry Gifford. In 1998, at the very moment that a publisher had approached Bruce Davidson about a book of his 1959 Brooklyn Gang photographs, former gang leader Bobby Powers unexpectedly telephoned the Davidsons. Over the next decade, Emily Davidson maintained an ongoing conversation with Powers in order to bring to light his struggle to overcome his drug-ridden and violent past and to inspire others with his example. Through the words and reflections of the former drug addict and petty criminal, this book relates the long, agonizing journey from youthful urban violence and despair to the life of a committed and generous professional. Beginning in a working-class Brooklyn neighborhood in the mid-1950s, where alcohol abuse and poverty were rampant, Bobby Powers went from being an illiterate gang leader and notorious drug dealer to a destroyed individual who had lost everything, including family members, close friends, and himself. All presented in his own words and in grim detail in this book. At a critical turning point in his life, recognizing the threat of his behaviors to survival, he entered detox and embarked on the arduous path to recovery and self-understanding. This process involved not only acknowledging and coming to terms with the injuries he had inflicted on his children and others but also asking for their forgiveness. Having achieved a new way of life as a responsible and caring adult, Bobby Powers is today at 69 a nationally respected drug addiction counselor who has aided a wide spectrum of people, including former gang members. His story represents a brutal and inspiring lesson in human frailty, degradation, and transformation.

**SUMO (Shut Up, Move On)** Paul

McGee, 2006-02-22 S U M O stands for Shut Up Move On. It's a phrase to say to ourselves and sometimes others when we are acting or thinking in a way that is hindering our ability to succeed. It doesn't necessarily mean get over it or pull yourself together, although there may be occasions when both responses are necessary. Shut Up means stop what you're doing, take time out to reflect, let go of baggage and beliefs that hinder your potential. Move On means tomorrow can be different from today, look for new possibilities, don't just think about it, take action. There are six S U M O principles that are designed to help you create and enjoy a brilliant life. If you are wrestling with life's challenges, these principles will help you do so more successfully.

1. Change Your T-Shirt: take responsibility for your own life and don't be a victim.
2. Develop Fruity Thinking: change your thinking and change your results.
3. Hippo Time is OK: understand how setbacks affect you and how to recover.

several women I walked off that elevator with an idea a book about flirting During the first week of November 2012 I asked Jesus to give me ideas for a book In 48 hours the Holy Spirit gave me 130 ideas for a book Sixty weeks and 950 hours of work later I have a complete manuscript The Bible says Im just a filthy rag Im not a preacher because Im not called and would be unworthy Im not a teacher because I would have no patience and Im not a speaker because Im very shy with large groups Therefore the printed virgin Maybe Im an explainer I prefer to explain my faults and sins rather than point at others There is a fine line between being judgmental and attempting to explain the truth I once was told from an old fashioned fire and brimstone preacher that he did not judge people but people judged themselves with their actions If U are truly told by the Son of God to give someone a message U better do it U are not going to like your life for being disobedient However U may temporarily not like your life for being obedient It is a strange dichotomy in the dilemma of life We have to not wither but have planted seeds in the good ground of life to withstand the persecution I truly hope those who may feel offended by my humor or Bibles truths will understand that Im speaking from my heart and only want to help and Im incapable of expressing the right words at the right time in person Please remember Im in this struggle too Just because I have written a book does not mean I am exempted from hell A walk with Jesus and temptation from the devil is a daily battle I need your prayers Im a long ways from where I want to be in Christ Larry
