Wheel Of Time Series Guide

Cassell, Ltd

Wheel Of Time Series Guide:

Study Guide BookCaps,2012-11-30 Brandon Sanderson's The Way of Kings has been called one of the greatest fantasies of all time but it is massive There are dozens of characters plots and settings This study guide is a companion to the first book in the series The Way of Kings It's the perfect guide to someone who wants extra help keeping up with all the twist and characters or who just wants a refresher while reading the rest of the books in the series BookCap Study Guides do not contain text from the actual book and are not meant to be purchased as alternatives to reading the book This study guide is an unofficial companion and not endorsed by the author or publisher of the book We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month [Study Guide - Misborn](#) BookCaps,2012-11-30

The South Carolina Encyclopedia Guide to South Carolina Writers Tom Mack,2014-01-30 The South Carolina Encyclopedia Guide to South Carolina Writers expands the range of writers included in the landmark South Carolina Encyclopedia This guide updates the entries on writers featured in the original encyclopedia and augments that list substantially with dozens of new essays on additional authors from the late eighteenth century to the present who have contributed to the Palmetto State's distinctive literary heritage Each profile in this concise reference includes essential biographical facts and critical assessments to place the featured writers in the larger context of South Carolina's literary tradition The guide comprises 128 entries written by more than sixty nine literary scholars and it also highlights the sixty nine writers inducted thus far into the South Carolina Academy of Authors which serves as the state's literary hall of fame Rich in natural beauty and historic complexity South Carolina has long been a source of inspiration for writers The talented novelists essayists poets playwrights journalists historians and other writers featured here represent the countless individuals who have shared tales and lore of South Carolina The guide includes a foreword by George Singleton author of two novels four short story collections and one nonfiction book and a 2010 inductee of the South Carolina Academy of Authors **The Readers' Advisory Guide to Genre Fiction, Third Edition** Neal Wyatt,Joyce G. Saricks,2019-07-03

Everyone's favorite guide to fiction that's thrilling mysterious suspenseful thought provoking romantic and just plain fun is back and better than ever in this completely revamped and revised edition A must for every readers advisory desk this resource is also a useful tool for collection development librarians and students in LIS programs Inside RA experts Wyatt and Saricks cover genres such as Psychological Suspense Horror Science Fiction Fantasy Romance Mystery Literary and Historical Fiction and introduce the concepts of Adrenaline and Relationship Fiction include everything advisors need to get up to speed on a genre including its appeal characteristics key authors sure bets and trends demonstrate how genres overlap and connect plus suggestions for guiding readers among genres and tie genre fiction to the whole collection including nonfiction audiobooks graphic novels film and TV poetry and games Both insightful and comprehensive this matchless

guidebook will help librarians become familiar with many different fiction genres especially those they do not regularly read and aid library staff in connecting readers to books they're sure to love

The Complete Guide to Game Audio Aaron Marks, 2013-04-02 This comprehensive guide gives readers with basic music compositional skills the information they need to become commercially viable artisans In addition to providing a foundation of prerequisite technical skills including basic audio considerations and sound file formats the book teaches the business skills needed to work successfully as an audio technician in the game development business How to features take the reader step by step from purchasing the right equipment understanding the various game platforms and composing music and creating sound effects specifically for games to the ins and outs of marketing producing demo reels determining fees bidding projects and negotiating contracts The Illustrated Guide to World Religions Michael David Coogan, 1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world religions from Judaism to Christianity and from Islam to Buddhism

Young Adult Science Fiction C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies
