By virtue of ratifying the Women s Convention Egypt is internationally obliged to eliminate gender discrimination in its domestic legislation Yet women in Egypt face various forms of discrimination This may legally be justified through Sharia based reservations which many Muslim majority countries enter to human rights treaties to evade an obligation of implementation where Human Rights run counter to Sharia This book examines the compatibility of Sharia based reservations with international law and identifies discrepancies between Sharia and domestic law in order to determine rights Egyptian women are entitled to according to Sharia and yet denied under Egyptian law Account is moreover given to Egypt s implementation efforts in the non reserved areas of law To this end Egypt s 2014 Constitution and four areas of statutory law are examined as case studies namely female genital mutilation human trafficking nationality and labor law

The Northwestern Reporter ,1914 *Reports of cases at law and in chancery argued and determined in the Supreme Court of Illinois* ,1922 **Shari'ah and Common Law** Adnan Trakic,2022-10-24 Harmonisation of law a term that refers to the bringing together of two different legal traditions has developed a negative connotation when considered in the context of Shari ah and common law Harmonisation began to be looked at as an attempt by one legal system to impose its values on the other A major reason for that is the lack of understanding of the scope to which these two legal traditions converge One of the principal findings of this book is that Shari ah and common law have many more commonalities than differences As a result the need for harmonisation between the two might have been exaggerated The similarities do not need to be harmonised Rather they need to be acknowledged and appreciated If the differences between Shari ah and common law which undoubtedly exist as evidenced in this book are viewed with an appreciation of the commonalities the ambiance to reconcile the differences would be more conducive to the harmonisation process This book is intended to help readers better understand Shari ah and common law and aid harmonisation efforts when the need arises Reports of Cases Argued and Determined in Ohio Courts of Record Except Supreme and Circuit...v. 1-31 William John Tossell,1908 The Wiley-Blackwell Companion to Religion and Social Justice Michael D.
