*Romanism as it Rules in Ireland* Mortimer O'Sullivan, Robert James M'Ghee, 1840      *Romanism as it rules in Ireland: being a ... report of the meetings held in various parts of England and Scotland, in which the theology secretly taught, the commentary on the Bible clandestinely circulated, the law of the Papal States surreptitiously set up to govern Ireland, and the secret Diocesan Statutes of the Province of Leinster, have been ... detected and exposed, etc* Mortimer O'Sullivan, 1840

**Late Medieval Irish Law Manuscripts: A Reappraisal of Methodology and Content** Rowena Finnane, 2023-09-25  
Late Medieval Irish Law Manuscripts A Reappraisal of Methodology and Context challenges the long held view that Irish law manuscripts produced in the secular law schools of the late medieval period are only the work of antiquarians This book examines the texts in their political social and cultural contexts particularly in relation to the Irish revival of the fourteenth century onwards Finnane s examination of the manuscripts includes legal interpretation and the role of glossing and commenting on older canonical texts in establishing the authority of those texts in the present the use of the manuscripts in legal education the use of the past in providing legitimacy and authority particularly in a legal context Finnane argues that the manuscripts are the work of jurists authorising a revived legal system connected to a re emergent Irish political elite after more than a century of Anglo Norman invasion and rule      *Romanism as it Rules in Ireland* O'Sullivan, 1840      *The Irish Law Times and Solicitors' Journal* ,1868      **Irish Writing in the Twentieth Century** David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes Irish Writing in the Twentieth Century ideal as a core text providing a unique focus for detailed study in a single volume BOOK JACKET      *The Jurist* ,1843      **The Times Parliamentary Debates** ,1893      **The Law Times** ,1864      **The Law Students' Journal** John Indermaur, Charles Thwaites, 1890      **Aboriginal Customary Law: A Source of Common Law Title to Land** Ulla Secher, 2014-12-01 Described as ground breaking in Kent McNeil s Foreword this book develops an alternative approach to conventional Aboriginal title doctrine It explains that aboriginal customary law can be a source of common law title to land in former British colonies whether they were acquired by settlement or by conquest or cession from another colonising power The doctrine of Common Law Aboriginal Customary Title provides a coherent approach to the source content proof and protection of Aboriginal land rights which overcomes problems arising from the law as currently understood and leads to more just results The doctrine s applicability in Australia Canada and South Africa is specifically demonstrated While the jurisprudential underpinnings for the doctrine are consistent with fundamental common law principles the author explains that the Australian High Court s decision in Mabo provides a

broader basis for the doctrine a broader basis which is consistent with a re evaluation of case law from former British colonies in Africa as well as from the United States New Zealand and Canada In this context the book proffers a reconceptualisation of the Crown s title to land in former colonies and a reassessment of conventional doctrines including the doctrine of tenure and the doctrine of continuity With rare exceptions the existing literature does not probe as deeply or question fundamental assumptions as thoroughly as Dr Secher does in her research She goes to the root of the conceptual problems around the legal nature of Indigenous land rights and their vulnerability to extinguishment in the former colonial empire of the Crown This book is a formidable contribution that I expect will be influential in shifting legal thinking on Indigenous land rights in progressive new directions From the Foreword by Professor Kent McNeil to read the Foreword please click on the sample chapter link
