The Cutter's Practical Guide, Part 8 John Falconer, W. D. F. VINCENT, 2025-08-04 The importance and necessity of just such a work as this on Economy in Cutting has found ample proof in the disposal of the First Edition in less than one month in a Second Edition being again exhausted and in our now being called upon to introduce a Third Such a work is bound to be popular its advantages come so closely home to every cutter and we are pleased to record that the efforts of both Author and Publisher have been so fully appreciated From no other publishing firm has emanated so many works relating to cutting fitting and practical tailoring and so much is the time and attention of cutters devoted to these features of their profession that the matter of Economy in Cutting is in many cases perhaps comparatively a secondary consideration Tis true that in the cutting of a garment saving a quarter of material is of small importance when compared with its good or bad fit But where from experience or the use of our Tailor and Cutter Reliable Model and Special Patterns the fit may be pretty well assured even a quarter of material on each coat cut would very soon bulk to a tolerably large amount At the present time when competition runs so high and prices must be cut so fine it became forcibly impressed upon us that a work might very advantageously be entirely devoted to ECONOMY IN CUTTING We had little difficulty in selecting an author of thorough practical experience for this work Mr Falconer having devoted special attention to the matter of Economy The completeness with which Mr Falconer has done his work will be found in the fact of its containing no less than thirty six Plates illustrating different lays ranging from one to four garments on each lay or illustration The Tables describe the Plates giving the garment or garments their sizes and the quantities of material from which they can very comfortably be cut Reborn and Married to His Uncle□Part VII□ T.H.Jessica, In her previous life Zoey was killed before realizing that she had misidentified the man who saved her life back then After being reborn she kicked away the scumbag man and vowed to take back all the honors she once gifted to her enemies The most important thing firmly hold onto the scumbag s uncle s disabled thighs Some people say That Zoey has nothing but borrowing Russell s influence Financial tycoons medical godfathers beautiful movie queens and tech gurus have all come forward Sorry our zoey never rely on men The whole network is in an uproar Everyone is guessing what their relationship was The next day the video came out a certain disabled guy not only stood up but also blocked the little petite wife in the corner Zoey you are mine ...
