

# Salary Increment Basics

## What is a salary increment?

A salary increment is an increase in an employee's yearly salary in the form of a percentage. Employers utilize this number to easily calculate a pay increase or raise.

## How do you use an increment to calculate a pay increase?

$$\text{New annual salary} = (\text{base salary} \times \text{decimal value of increment}) + \text{base salary}$$

**Doody's Core Title** This excellent book highlights the development of the nurse practitioner movement. The current state of practice is defined and the potential growth of the role is explored. The important issues influencing the continued development of the nurse practitioner role are clearly presented and reviewed. This update is needed in light of the ever evolving healthcare arena. **Score 100 5 stars** Doody's there are plenty of lessons to be learned not only from the experiences and insights of these authors but also principles and practices which they have found to be patient centered, effective, efficient, and economical. **Loretta C Ford EdD RN PNP FAAN FAANP** From the Foreword: This fifth edition discusses the evolution and future of advanced practice nursing primarily for APN faculty and APN NP practitioners as well as for leaders and administrators in education. Fully updated and expanded, the book comprehensively describes the historical, social, economic, and global contexts of advanced practice nursing. The team of expert contributors provides a wealth of insight into key issues of the day such as the mechanics of financial recognition of NPs, the effects of managed care, and the globalization of advanced practice models. The new edition also presents a fresh perspective on the role of nurse practitioners in both small and large scale reform initiatives such as health promotion, disease management, the rapid spread of global disease, and the diminished economic capacity of many countries to meet standards for health care. Enriched with case studies, key principles, and best practices, this book is a must have for all those invested in the current and future status of advanced practice nursing. Key topics include: Public relations strategies, Nurse managed health centers, Adult health and gerontology care, Business policy and politics, success factors for practice, Global health, international developments, and future challenges.
