populations in some parts of Australia excessive hunting brought about the extinction of two species on Lord Howe Island and another species on Norfolk Island In Pigeons and Doves in Australia Joseph Forshaw and William Cooper have summarised our current knowledge of all species including those occurring on Christmas Norfolk and Lord Howe Islands and with superb artwork have given readers a visual appreciation of the birds in their natural habitats Historical accounts of extinct species are also included Detailed information on management practices for all species is presented ensuring that Pigeons and Doves in Australia will become the standard reference work on these birds for ornithologists and aviculturists

Some Observations of the Human Kind Sheer Ramjohn,2014-09-15 By writing this book it was my intention to present anecdotal events occurring on a daily basis which play a role in shaping our world Ideas and scenarios presented may be well known and expounded to us many times by different authors Hopefully Some Observations of the Human Kind is a useful reference for the reader that merges so many of these important ideas into one tidy little book

of wisdom Referring to actual examples I have shown that the world in which we live can be shaped by our own destiny and personality We are individuals with our very own character unique in this sense With no one else being the same our own special brand of uniqueness can be brought to the fore creating and contributing to humanity and society as a whole What we are internally and what we do outwardly may be two different things By this I mean that what we do is greatly influenced by the way we have been weaned from birth and most of us do almost exactly the same as our parents taught us Our parents may or may not have been correct in fact they themselves most likely carried on as their parents taught them This is not intended to diminish the lessons offered by parents who have our best interest at heart Instead this book has stressed the importance of you as an individual The trick is realizing this and making the necessary changes in your life
