When God Is A Traveller:

When God Is A Traveller Arundhathi Subramaniam, 2014-07-01 Praise for Arundhathi Subramaniam's Poetry By turns both laconic and passionate she asks questions about morality and integrity that many poets simply refuse to take on Yet she is also an extraordinary love poet A remarkable book from a remarkable poet John Burnside Poetry Review one of the finest poets writing in India today It is not dulcet music you hear in Where I Live It's the swish of swordplay each poem skewered at sabre point and then placed on an electric grille to sizzle like a rasher on a barbecue Keki Daruwalla The Hindu a strong personality and an individual voice her poems feel as if they are meant to be read aloud as well as on the page Bruce King Journal of Postcolonial Literature Few poets capture contradictory impulses so convincingly This unexpected range is what makes Subramaniam's work such a pleasure to read You never know what country mood streetscape or relationship you'll be plunged into but the ferociously intelligent attention to detail ensures that you are given every opportunity to engage with the pure energy of the poem Jules Mann Poetry International Web Arundhathi Subramaniam's poems explore ambivalences the desire for adventure and anchorage expansion and containment vulnerability and strength freedom and belonging withdrawal and engagement language as exciting resource and as desperate refuge Her poems wander dig and fall they come to terms with unsettlement uncertainty finiteness and fallibility they explore intersections between the sacred and the sensual and search for ways to step in and out of stories cycles and frames These are poems of wonder and precarious elation and all the roadblocks and rewards on the long dangerous route to recovering what it is to be alive and human Women Who Wear Only Themselves Arundhathi Subramaniam, 2025-03-04 In this inspiring book of divine discovery poet and seeker Arundhathi Subramaniam gives us a glimpse into the lives of four self-contained unapologetic female spiritual travelers Among the finest pieces of spiritual truth telling literature I have ever read A book to savor and celebrate Mirabai Starr author of Wild Mercy and Ordinary Mysticism As the pages turn one feels a growing sense of shared humanity even kinship with these extraordinary practitioners of the sacred Tim Parks author of Teach Us to Sit Still A Skeptic's Search for Health and Healing In life spiritual paths are often as unique as we are Bringing together the voices of four women mystics walking very different spiritual paths poet Arundhathi Subramaniam reveals the expansive potential of forging an intimate personal connection with the divine We'll meet these four travelers Sri Annapurani Amma who left the safety of home to follow the summons of a long dead saint and chooses to live naked Balarishi Vishwashirasini a nada yoga teacher who became a guru as a child and admits she's missed out on a real childhood Lata Mani who discovered tantra after a major accident left her with a brain injury and today talks of how the spiritual life is deeply anchored in the wisdom of the body not unlike the redwood trees of her adopted home and Maa Karpoori who needed to resist pressure to marry and found her calling in a local yoga class and now radiates fierce independence and the contagious joy of living Sensitive insightful and lyrical Women Who Wear Only Themselves bathes us in the kind of mystery that feels deeply familiar and invites us to connect with whatever sparks
