Wonder Reborn Thomas Troeger, 2010-07-27 This book explores an issue at the nerve of the long term health of all churches how godly wonder can be reborn through renewed attention to the place of beauty in preaching and worship The book opens with an exploration of the theological and cultural difficulties of defining beauty It traces the church s historical ambivalence about beauty and art and describes how in our own day the concept of beauty has been commercialized and degraded Troeger develops a theologically informed aesthetic that provides a counter cultural vision of beauty flowing from the love of God The book demonstrates how preachers can reclaim the place of beauty in preaching and worship Chapter two employs the concept of midrash to mine the history of congregational song as a resource for sermons Chapter three introduces methods from musicology for creating sermons on instrumental and choral works and for integrating word and music more effectively Chapter four explores how the close relationship between poetry and prayer can stir the homiletical imagination Each of these chapters includes a selection of the author s sermons illustrating how preachers can use these varied art forms to open a congregation to the beauty of God A final chapter recounts the responses of congregation members to whom the sermons were delivered It uses the insights gained from those experiences to affirm how the human

Before I Ever Saw Your Face Norah Billups Wilson, 2019-02-04 Dreams can be the very basic plans of life disturbing the qualities of my five senses I began witnessing many perplexing situations in life that would not relate to my common sense A man speaks to me from standing at my side yet the shadow engulfs his body as he appears without a face How can a man appear right beside me and have no face for me to see Life is not how you make it but how you dream it It seems to be a lesson well taught as the dream and the events as in the dream unveil when I do see a face Alone and suddenly caught up in the aura of love that for the moment seemed to have nothing to do with none of my five senses yet I was so fully aware of being loved like I ve never knew Finally seeing what was attracting me it was not at all what I would ever guess could happen to me But it did here in my soul just like it was a dream and then realizing what was happening in

my life was not only a dream but just the beginning of Souluos the spiritual joining of me with a man Joy is a dreamer What if her dreams in the night when her eyes are closed do come true in her life with a man that has no emotions Chemistry of a man s love is a different kind of spirit that captures the heart of a woman this time Even broad daylight is blind when God joins her in Souluos The Lord's Prayer; And, The Doctrine of the Two Covenants Ezekiel HOPKINS (successively Bishop of Raphoe and of Derry.),1846 *The Lord's Prayer, And, the Doctrine of the Two Covenants* Ezekiel Hopkins,1846 *The Game of Life* Neville Goddard, This selection of talks exposes essential themes such as persistent prayer creative imagination and the search for true divine identity Each lecture is an incentive to dive into the depths of self knowledge and connection with the divine offering valuable insights for a life of fulfillment and purpose In the first lectures we are encouraged to reflect on the importance of faith persistence and imagination Prayer is highlighted as a key to life change while imagination is presented as the powerful engine behind the manifestation of one s deepest desires As we move forward we delve deeper into the search for the source of life and the connection between imagination and the creation of reality The figure of Christ emerges as a spiritual pattern of salvation while the history of salvation is presented as essential for the development of the soul We then explore rules for living well challenging conventional conceptions and emphasizing belief in the fulfillment of desires and a positive state of mind The spiritual mystery is unraveled making us reflect on the truth beyond traditional interpretations As we move towards the final lectures we are led to scrutinize the divinity inherent in each individual and to awaken to our true identity as incarnate divine beings The importance of recognizing and exploring our imagination as a way of connecting with the divine is emphasized offering a message of hope and individual power for all readers A R Ribeiro
